LW

What a sweet, smart and talented man. I treasure the time we spent together shooting your brilliant art. I met you when you purchased my quirky photograph framed in a microwave oven door! I was SICK to see the notice in the newspaper and not knowing how to get in touch with Darlene to share my heart with her. Darlene, may God be with you. It must be a horrible time for you. God Speed, dear man. I hope to see you again one day.
