“ I have missed Anne since she moved to Asheville. I never saw her without a smile on her face. She was one of those people that just made you feel so special--like you were the most important person in the room. I admired her gentle, sweet, caring nature and the interest she had in you and in each person she knew.

“ Dawn and Tanya, I am so sorry to hear of your mother's passing. She was a sweet and loving person. I never saw without a smile on her face. I always felt welcome when I was in her home--which was a lot when Dawn and I were in nursing school together. I know it is hard losing your mother but just remember how much she loved both of you and was very proud of you. I will keep you in my prayer.

“ Anne was a very dear friend. We grew up together, attending the same church and schools from elementary through high school. She was very intelligent, a member of the National Honor Society. She was a member of the homecoming court and was "best natured" in our senior class. Even though we were miles apart geographically, we had a bond that never weakened through the years. I'm honored to be her cousin and friend. All my love to her dear family.

“ My condolences to my daughters, Tanya Greene Davidson and Dawn LaMarr Greene on the loss of their mother, Anne LaMarr Beach Greene. Also to Anne's siblings I express my regrets and regards. Anne was a brilliant and loving mother and human. She helped rear 2 responsible and carding daughters who were the center of her life.

“ Tanya & Dawn, Our hearts go out to you with the loss of your mother. May you both find comfort in knowing you are never alone. We pray that God's presence will ease your grief and give you strength, grace, and peace in the days ahead. We know, He is there to cast sunlight into all your darkened shadows, to send encouragement through the love of friends and family, and to replace your weariness with new hope. When what you are feeling is simply too deep for words and nothing anyone does or says can provide you with the relief you need, know that God understands. He is your provider...today, tomorrow, and always. Cast all your cares on Him. Know that we will be remembering you both in our hearts and prayers. Atwell & Debra
