

Arthur Eugene "Gene" Knoefel III

July 22, 1936 - October 18, 2021

WEAVERVILLE - Arthur Eugene (Gene) Knoefel III of Weaverville peacefully passed away on October 18, 2021. Gene was born on July 22, 1936, in Asheville, the son of the late A.E. Knoefel, Jr., M.D., and Marie Aline Eris Knoefel. He grew up in Black Mountain and was a graduate of the last class of the then Black Mountain High School. As a teen, he was active in scouting and proud of achieving the rank of Eagle, the God and Country award, and being tapped into the scouting honor society, The Order of the Arrow. Gene attended N.C. State University where he lettered in cross country, Mars Hill College, and the University of Tennessee, where he was a member of the Pi Kappa Alpha fraternity and received a BS in Civil Engineering. Upon graduation, he moved to Sacramento, California, and worked for the State of California for over 36 years, the majority of which he served as Chief of Long-Term Care Reimbursement. While in California, Gene's primary enjoyment was traveling around the State with the love of his life, Ellen. He also loved running and was proud to have completed 2 marathons, ran over 3,000 miles one year, and at one point kept up a continuous running streak for over 4 years.

Gene was preceded in death by his beloved parents, sister Charlotte Sarti, and nephew Kevin Clark. He is survived by his devoted wife of 44 years, Asheville native Ellen Dave Knoefel, sons Eric Knoefel (Julie), Jeff Slosman (Debra), Richard Slosman, and daughters Katina Isaacson (Jeff), and Elyse Cyphers (Stephen); grandchildren, Caty (Robbie), Nick, Carson, Bennett, Kellon, Sienna, Dawna (Shane), Jessica, Derek (Cristina); great-grandchildren, Hannah, Aiden, Owen, Oliver, and Brooks; niece, Stacey Blackwelder; nephew Brett Clark, and lots of loving extended family and friends.

Upon retiring, Gene and Ellen moved from California back to their beloved Western North Carolina mountains and settled in Weaverville. For many years Gene was an avid golfer, especially enjoying the comradery of his regular golfing friends. He became active in Town government, was appointed to 2 terms on Weaverville's Planning and Zoning Board, and then successfully ran for and served 2 terms (8 years) as a Commissioner on Weaverville's Town Council. Here he represented the Town as Director on the Land of SKY (LOS) Regional Council and served on their Executive Committee for over 2 years.

Gene became very active in programs for the aging, serving on several committees of the Area Agency on Aging, and at the recommendation of the LOS staff was appointed by the Buncombe County Commissioners as the County's delegate to the North Carolina Tar Heel Senior Legislature and to the County Nursing Home Community Advisory Committee, where he was an advocate for nursing home residents.

Gene was known for his humor and especially that of his fortitude in battling the hardship and trauma of the many surgeries and infections he incurred during the latter part of his life.

A remembrance service in his honor at 1:00 pm on Sunday, October 24, 2021, at Congregation Beth HaTephila. In lieu of flowers, the family requests donations be made to a meaningful charity of your choice.

“ Gene was a multifaceted, passionate human being. As retired government servants we vigorously but respectfully debated policy formulation and results from contrasting political perspectives. Just as or more important, Mercedes and I both appreciated (his) good cooking as well as bluegrass! Bob Kaufman

“ Dear Ellen and family, Gene's "persistence" when it came to family was so obvious when he insisted on coming to see us at our Airbnb after we were at your house in July. Vicki & I & Carol were all blown away because it obviously was so difficult for him. I'm just so glad we came to Ashville when we did. Please take care & keep in touch.

“ I met Gene while serving as a delegate in the North Carolina Senior Tar Heel Legislators. He represented Buncombe County, my husband and I represented Mitchell County. We met Ellen while going out to dinner at a statewide meeting. Following his time as Parliamentarian of the STHL he was elected President of Friends , This was a 501c group that raised money to help support the NCSTHL. I served with him as his vice chair. We collaborated frequently by phone. It was such an honor to serve with him. I am currently the Speaker for the NCSTHL and on behalf of the body would like to say, thank you for your service, leadership and knowledge shared. We all will miss you and will never forget you. May you Rest In Peace. Norma Duncan, Speaker NCSTHL.

“ What a beautiful service! Having only known Gene in infirmity, I am so grateful to have been able to see, via this service, the photos and the shared memories, of the vital and vibrant Gene, the adventurous one, and the depth of his love for his family. It was truly an honor to have been a small part of this family for the last year of Gene's life. He will be truly missed.
