“ Dear Dave,

We are thinking of you and sending our sincere sympathy at your loss of Carol. We were so sorry to read of her passing.

Carol and I worked together on the Women's Advisory Board at The College of Wooster for a long time, and I liked her very much. She was great fun and always added much to the group.

It's hard to believe she's gone; she was such a warm, friendly, enthusiastic person. She will be missed by many.

Our warmest regards to you and your family at this difficult time.

Most sincerely, David and Carol Briggs

“ We were so sorry to see in the Wooster paper about the death of Carol. We have such fond memories of our time spent with both David and Carol either on the tennis court or at a fun event at Walt and Nancy's home. Carol was certainly a person who got things done and was always so warm and welcoming. I remember when she learned that we were expecting our third child and I raised the concern of creating a middle child. She immediately said that middle children were so sweet

“ I didn't finish before it posted. When Carol said middle children were so great, she said she knew first hand having married one. Our thoughts and prayers are with your family at this time. Marylou and Rob LaLonde

“ To the Sherck Family

I am so sorry about Carol's death; we were friends in Wooster and were both members of AAUW for years. Carol was such an active part of Wooster community. She will be missed by all who knew her.

I remember Shercks' Kentucky Derby parties with fondness. They were wonderful hosts.

To Dave and family, I send my most sincere condolence.

“ Dave, I am deeply saddened to learn that Carol has died. Much too young a lady to leave us. I have enjoyed our Buckeye-Wolverine interactions in the CFS/OLLI activities. Best to you from Marian and me in this difficult time.

“ Carol's death is a huge loss. Random and not so random acts of kindness were her practice making other'so lives brighter- Biltmore guest passes for Literacy Council participants, blankets for healing teens, aerobic community building at GPI, OLLI enthusiastic class participant. I will miss her and her stories of her love for her family.

“ Dave our thoughts and prayers are with you, your family and many friends. Sue and I still talk about the Kentucky Derby weekend we spent with you all in Louisville in 1968. (just prior to me leaving for Vietnam.) We did not drink or eat anything that weekend that did not have Kentucky bourbon in it! Also remember all the DU weekends and parties where "Dave and Carol" were "fixtures!" Also, the Life Magazine feature article on Life goes to a fire house party...and you and me driving the 1919 Fox-Arons (sp?) fire truck from Cincinnati to our DU house on 16th. Sue and I also remember the great weekend we spent with you and Carol in Asheville. May all your many memories be a blessing at this time. Max and Sue Odle, Class of 1956, Go Bucks!

“ I always enjoyed Carol's personality whenever we were together, although I must say that some of her recipes for food needed more tasteful ingredients. The time we visited her & Dave in Mexico City will always be remembered as she served some type of dried beans(they were really bad) & ever since then, I refused any of her recipes that were offered(sorry).. Meeting at many of the Ohio State Football Games & having dinner afterwards were allot of fun and lots of laughter!. She will be remembered not as much for the things she did, but for the person she was; friendly, funny at times, having interest in everyone, and making one comfortable in any new surroundings! Thanks, Carol-God Bless Frank.
