“ Michael and Landon, I'm so very sorry for your loss. Your mother wasn't a customer she was a friend. Mitzi shared some flowers with me. I have bushes she gave me to remember her by. And flowers also. She loved her koi pond. And I built one also. She came out to see it. One of the memories that we had together. At my mother's funeral she met my son's service dog for the first time. Sam was a big white doodle. During the service she started crying thinking about your Dad. As they were taking my family's out Sam pulled my son over to your mother and laid his head in her lap. It made her day and she stopped crying. She talked about that many times. Prayers for your family, Virginia Parham

“ What a special lady. Mike and Landa, we know what a bright light your Mom was in your life and she always had a sparkle and smile for me. I treasure all my memories of her in my life since my teens and she share special times with John and I as adults. We hold you in our hearts and send peace and love to you and your family. We know she happy to be with your Dad once again. With love always, Benn Edney Fass & John T. Pickering XOXOX

“ Landa and Michael, You mother and I had a long and interesting relationship. Being her neighbor for 23 years, she and I shared many a talk. My children played in the side garden, and rode scooters in her driveway. At the end of our conversations, she would often say, you remind me of my daughter! When I finally had the chance to meet Landa, I was able to take this as the absolute complement it truly was. I am honored that she helped me in a difficult time and sold me her car because the Mitzi-mobile has restored my wings! - Sending you love and peace, Rebecca Dougherty Tucker

“ Mitzi always amazed me on how she was so sweet to the wildlife. I remember how she would hand feed the squirrels at her back door. She will be with my best friend now “Johnny”. Love to you all. Love always Todd Henderson
