“ I was privileged to work with Patty on the Blue Ridge Parkway for several years. When I was working in interpretation, as a seasonal Park Ranger, Patty's love for interp, the Parkway, and the National Park Service was evident through her vision, guidance, hard work and dedication. I was especially inspired by her support of the Parks As Classroom program, in area schools, such as Hawcreek, where her own children had attended. Patty leaves a legacy which many NPS employees could only hope to attain. She should remain an inspiration to all who strive to become a part of that ever special NPS family.

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.

“ Gordon and the girls,
I was saddened to hear today of Patty's passing. I first met her when I came to the Blue Ridge Parkway in 1988 and she was an LE ranger at Peaks of Otter. She and I both had three girls and we always shared stories of what was going on in their lives whenever we saw each other. Please know that your wife and mother was well loved on the parkway and will be greatly missed by all of us who have lived and loved on the "Scenic"!

Love and prayers,

“ Gordon and family - I am so saddened to hear about Patty's passing. I finally got to spend time with her at Hurricane Sandy and she was such a delightful person to work with! That infectious smile and interesting way of approaching a challenge with a steady focus and solid resolve that there was a solution was inspiring. I know that words are never enough when a loved one is lost, and she was certainly lost too soon. My sincere condolences go out to you and your family, you are in my thoughts and prayers.
