“ Allan was a great friend and we shall miss him dearly. I met Allan when we worked for the same company, Hazeltine, and lived on Long Island. We found out that we both had the same model Mercedes - Benz automobile, abet the least expensive one. So we decided to save money by doing the maintainance ourselves. That turned out to be more than we expected, but it was great fun anyway. Knowing that I was a "train nut" he always went out of his way to secure a railroad calender for me. I have some great memories of him and Barbara and the many meals that we shared together. Julie and I send our heartfelt condolences, you are in our thoughts and prayers.

“ *My Name is John Arnold and I worked for and with Allan for a lot of years. He taught me many things and he was a pleasure to work with. He would always call me up and see if he could get a train calendar for his friend. I will miss getting that call. He will be missed. My prayers and thoughts are with your family during this time.*
