“ Ann Gregg was a Grand Lady, capital letters, like a title of royalty. That was my very first impression of her. It's not a word used much these days, but it well suits her – “She carried herself with grace and an almost regal deportment.” I enjoyed our conversations and found her to be a woman of great intelligence, great wit, a great sense of humor, and a great faith. I know she will be greatly missed. My prayers and those of Russell Community Church are with the family. Pastor Dale Youngs
