“ One of my favorite things about growing up a Glickman was attending our family get togethers at Uncle Manny and Aunt Bertha's house. I always looked up to my big cousin Barry (as everybody had to!) I loved his spirit, his sense of humor, and the great comedic routines that were such a big part of those times together. Thinking of Barry will always make me smile. My sincerest condolences to Aunt Bertha, Judy, Elissa and family- I love you all very much Steve Glickman

“ Great guy; knew him since 1964; both Barry and Judi were at both my weddings (Judi is my sister). He was a man of class, deep thought and loved WC Fields with a wicked dry sense of humor. Be well my Brother-of-the- Sword.

“ *I remember Barry as a little boy sitting on a tree trunk being held by my brother Sonny and myself near our neighbors house in Nyack. He was the sweetest child and we all loved him. He had a kind word for everyone. He was kind, thought of everyone, and was admired by many.*

“ We are very sorry about the loss of Barry. He was very much loved by his family and friends. My first memory of Barry was as a small child with Judi, Suzin, and Ethan driving in the Barracuda that was the coolest car that my brother and I had ever ridden in at the time. You and your family are very much in our thoughts.

Lew and i had read this:What matters most is the "dash" between the years of beginning to end. That "dash" represents all the time that Barry spent alive on earth... Those that love Barry know what that little line is worth! What matters most is how we live and love and how we spend our "dash"! Barry could be proud of how he lived and loved (especially his love of Judi and Elissa) and how he spent his "dash"!

Barry was Barry, a wonderful human being, and friend, we will miss you dear friend, and we love you, Judi and Elissa! Barry rest in peace!

Sending prayers and hugs, Lew and Sandy
