“ *Bobby Bumgarner was my Webster School Bus Driver when I attended the second and third grades in the early 1950's. I always thought that he was very nice to everyone. Those high school students seemed like Giants to me then. GARY FRYE from Sylva, NC.*

“ Bob was a longtime friend. We have wonderful memories of time with him. My dad coached him in basketball when he was in high school. I loved watching him play. Bill and I enjoyed for many years meals together and occasionally bridge games. Our sympathy is with his family. Thinking about you.
