“ I ditto some of the kind words that Jay Roberson said about Mrs. Kutscher!! I too attended Little Beaver Day Care and Summer Camp and honestly JUST THE OTHER DAY thought of her and how she would say the "Chris Cross Applesauce" rhyme and do the motions on my back and arms. I was trying to remember how to do it to my 4 year old little girl and flashed back to sitting on the hill with Mrs. Kutscher and having her do that to me over and over. All of the kids would line up and take turns having her do it to them and I always got back in line after my turn. I absolutely ADORED her and she gave me some of the best memories of my childhood at Little Beaver. She also wouldn't put up with any bull...I learned that first hand! I scratched a little boy...kinda bad...on his back in the swimming pool on purpose and when we got out of the pool and went to play kickball she wouldn't let me play and got a pair of fingernail cutters and CUT ALL OF MY NAILS to teach me a lesson and to this day I have learned my lesson! I am crying to know she has passed on how I just had her in my thoughts this week not knowing she was ill. I lost my Mom in July so I truly understand the loss this wonderful woman's family must be experiencing and I am sending my deepest condolences. She will forever be a part of me and my childhood memories. She made me feel special and taught me many virtuous lessons of life. Thank you for sharing her with me. A memorial will be sent to the museum in her honor.

“ Some of my fondest early childhood memories are of "Miss Kutscher" telling stories at Little Beaver day care and summer school. My favorite story was "Mutsmag", and I always wanted to reconnect with Miss Kutscher so she could tell the story again, so I could get it right when I retold it. A wonderful, wonderful lady. She and Miss Moody may have been the ones who taught us to square dance. My family has pictures of me and Julie Carson partnered at Little Beaver square dancing, the only existing evidence that I ever danced! I went to school with John and Shannon. My family's prayers are with you all.

“ *My first year at Asheville High, my homeroom was in the library. She treated me like one of her little boys. Anytime I had a problem, with my other teachers I would go straight to the library and she would smile and write me a pass. She always had great advice to help me through the situation I was in. She will be forever missed.*

“ We lived next door to Charlotte, whom we knew as "Johnny." I learned to ride a bicycle on Tommy's bike. I broke the news of President Roosevelt's death to Tommy in our front yard after my dad told me while home for lunch. Ellen could recite the entire list of Bible books from Genesis to Revelation very rapidly. I knew Tommy a lot better than I knew Charlotte and would dearly love to hear from him. My phone no. is 828-669--2252. I'm 74 years old and was known to him by my nickname, "Doojum!" I'd dearly love to hear from him and I promise not to pester him if we get in touch!

Sincerely, Paul N. (Doojum!) Wright, 813 Montreat Rd., Black Mtn, NC 28711
