“ I'll never forget your laugh Cory, you certainly knew how to light up a room and make people laugh. I am so very grateful that I got to see you this past year so that we could catch up on life. I am so glad I got to tell you how adoring I was of all your travel and your life and how proud of you I was that you were doing so well. You will be missed more than you know. I will look back on growing up together fondly and often, and will smile every time I think of you.
