“ *Chris and Marla*

So sorry for your loss.

I treasure fond memories of your family. Through the years when your parents and you attended Duncan family reunions in NC, they were so proud of you. Their faces always beamed with joy and gratitude when discussing your many accomplishments.

You were truly loved! Now Christopher is the recipient of that same love!

Saddened at her passing but we have the wonderful promise, assurance and hope of seeing our loved ones again one day.

May our Heavenly Father bless you with strength, courage, peace and comfort as you face the days ahead.

*My love and prayers,

“ Our memories of Connie are many through the years at first Baptist Church. Connie always participated with thought provoking comments in Bible study. She expressed her deep beliefs and love for the Bible. She was mostly a quiet person, but when she spoke it was worth listening to. We will always remember Connie with love.
