“ *Dan, I love you like a brother and cannot imagine our world without you. You did so much for so many. It hurts so much when we loose loved ones who had so much more to give. I'm sure you are with Linda now, love her for us, too!*

“ Penny and Dwayne and family, Karen and I are saddened to hear about your loss. I got to meet him at the Waynesville Christmas parade a couple of years ago with the PHS band. It was such a pleasure meeting him. I enjoyed our visit over supper that night. I had planned to get together again with him for lunch sometime. Please know that you all are in our prayers.
