“ *Kathy and the Wallace family, words cannot express the sorrow we feel for your loss. Even though we lost touch with each other over the years, I was blessed to have known Danny and call him one of my best friends. We had so many great memories of all the time we spent together. Danny was a great friend and a good man, he will be missed by many. We hope our prayers will help you and your family during this trying time. Heaven gained a great Angel.*

“ *Danny was a good man with always a bit of mischief in his eyes. He was a joy to be around and always willing to offer a helping hand. A true gentleman that always had something positive to say. He loved his family as was evident in his conversations. Bill and I are praying for comfort for all of his family at home and his Raflatac family.*

“ As one of Danny's co-workers at Raflatac, I didn't often work with him directly, but he always had a smile and a cheerful word or two to say when we'd pass each other in the hall or run into each other at the elevator (with his bad knees and my bad legs). It was always plain to see how well-liked and well-respected he was.

My sincere condolences to the Wallace family.

“ My condolences go out to the Wallace family and his wife and children. I have fond memories of growing up on Cub Road with the Wallace's. Danny was 5 years older than me and when we would play back yard football he would always just push us smaller guys down instead of tackling us. Good dude, quiet but wouldn't take crap off no one and protected his own.

“ I had the privilege of working with and for Danny for 17 yrs. I actually trained him on the coating machine when he first started at raflatac. He was a good person. He was the only decent supervisor at raflatac in my opinion. He cared for his employees and their families and we worked hard for him because he did. He will be missed so much. Our thoughts and prayers are with Danny and his family. May the Lord bless him and his family. Gary Bayliss and family.

“ *Bob, Kathy and family, I am so very sorry for the loss of Danny!! I know there are no words to make the pain any better right now, but keep your faith in God that He will see you through the darkest days ahead. I will never forget Danny coming up to me many years ago at Georgetown Church and asking me if I knew who he was, and I honestly didn't, he laughed at me so hard because he knew I didn't want to admit it, but I was so glad to reconnect after all the years since we had gotten out of school. Kathy, I pray especially hard for peace and comfort for you, I know all too well the pain of losing a husband, but know that his life and the life you had together are a true testament of the man Danny was, and that was pretty darn amazing!!
