*My Dear Jim, What a wonderful Tribute to a very "Special Lady", who captured your Hear and World many years ago. Somehow I knew the first time I met Darlene she was to become your Life Long Sole Mate. There are no words that I could share that can explain the sorrow that I feel for you for your loss, other than to say I am Sorry for your Loss and we are here for you should you need to talk or escape. Thank you for sharing you visit to the "Slow Country" in pictures as it brought back some good memories for me of you too. You and I have made some great memories and adventures together and I am glad to call you a Friend.]
Best Regards,

I love this beautiful tribute to my sweet and loving cousin Darlene. Thank you so much for sharing it with us. Jim , our love and prayers are with you. Always remember we are never alone, God is with us every minute of our lives and in the great beyond. May God bless you and give you the courage and strength needed during this very difficult time. Darlene will be greatly missed, but we will see her again in Heaven, that I am sure of.

“ We are going to miss Darlene so much! She was such a wonderful neighbor and friend who always showed gracious hospitality, kindness to everyone and had a contagious laugh. Darlene and Jim generously opened their home many times for our neighborhood get-togethers. Darlene made the best desserts!! We will forever be blessed by her memory and the love she bestowed on us. We are praying for you, Jim.

“ The first time I "met" Darlene I had walked up Jim's back driveway near our house to visit. Jim was working outside. Darlene had been looking for him and her patience was "wearing thin". From her deck she saw me, and thinking at the moment I was Jim she said: "You come up here right now!!" To which I said "Yes Ma'am!" and immediately headed for the deck. Darlene took one more look and said "Your not Jim! Where is he?" My response was "I don't know but I'll get him!" That's how we officially met, and it's been a good story ever since. She and Jim have great faith. The Scripture I think of is John 14. Jesus is speaking to His disciples: "I go to prepare a place for you. If it were not so i would have told you!"

“ Although I don't know Darlene personally I wanted to send my condolences. In times like these it is difficult to find comfort but may the words in Revelations 21:3,4 help you as we see a promise when there will be no more pain, suffering or death. How wonderful it will be when we will get to see our loved ones again. Isaiah 25:8. I will keep your family in my thoughts and prayers.
