“ *Terry, Ryan , Kevin and to your families- I loved working with David at Blossman Gas. When I started in the company he quickly made me feel at home and helped me get my phone, computer and everything I needed in short order! You always knew if you needed something David would be your 'go to' person. I particularly enjoyed working with David on Alliance AutoGas marketing and sharing our Jewish memories and stories. I'll miss him in my life. My sympathies and love to you all - Janet Oppenheimer*
