“ *Condolences to the family. While I did not know him well. The stories I hear about his life tell me he was loved by many and had many adventures in life. May we all have the same reaction from others when we pass.*

AN

“ *Dearest Family,*

David was my first love. I thought we'd be married forever and grow old rocking in a wooden rocking chair on a porch somewhere.

Although, our marriage ended, my love for him and many memories of 'firsts' remain in my heart. Like our trip to Antiqua - me with Dred locks and David driving a Hyundai on the left-hand side of the road., or our many camping trips with both children, Alicia and Richard, or our camping experiences while attending the Chimney Rock Hill Climb. My first experience with motorcycles - the Triumph chopper, later the BMW with sidecar. He loved cars, photography, camping, art, was a food critic, an Artist and between us, we had an amazing collection of Record Albums. He could always tell me when someone new came out whether or not they would be a hit. And he was right! I will miss his gentleness, bright eyes, smile and shared knowledge.

A candle burns for you each night and our children.

Knowing that you are safe in God's loving embrace.

Love, Anita
