“ *Hello to Donna's family. I so regret not staying in touch with Donna. She was such a dear person with enough humor and heart to help so many. She was a friend when I needed her the most. Our Asheville visits were always made perfect of the sound of her voice welcoming us. I know her grandsons were the love of her life. All blessed by her presence in this life!*

“ Donna was such a dear, sweet, funny person. I liked her from the first time i met her at work and she was training me to work in her section. I moved on to do other things but we kept in touch over the years. She was so full of life and loved life. I used to love talking to Donna, she was such an inspiration. God has a true angel by His side today and one that's going to bring Him lots of laughs, that's for sure!!!! We will miss you, Donna..

“ I have wondered where Donna was, as i hadn't seen her out in her yard in a long time. So sorry to know she won't be around bringing such good neighborly cheer and conversation. I always looked forward to walking by her house and talking with her and petting Patty. They will both be missed greatly and already are ...
