“ Hey Doris,

I was just reading over a few of the emails that you sent me. Remembering our talks about some of them and we would laugh so hard, we'd have the sniffles and run to the potty. I saved about all the email you sent to me, and I am so glad I did. I enjoy rereading them, I'll read sometimes while Sophia is asleep, that's when I can relax and have time to think, go over in my mind the talks we had. I think of you often. I know you are still with us in spirit, I want to thank you for being my friend and, for always helping us when we don't even realize you do. You will always have a place in my heart.

Can you believe our kids finally got married? I thought when Heather told me, it want happen, heard it too many times before. But they surprised a lot of people by doing it. I am so glad they got it done. Been 2 months now. If they every have any problems, I hope they will talk to each other about whatever is bothering them and not try to yell it out, that just causes more of a problem. Communicating will keep a lot of their fusses down. Not keeping it in letting it fester and cause the mind to add more to it than it is. I know you are proud of them as I am, we use to talk about it, wondering why they never went on and tied the knot. Maybe its best it took them awhile. They know what their about now, hopefully that will help keep them together too.

I guess I better get off and go lay down for a little while. I will be writing again.

Your Friend, Kay

“

Doris;

My Darling Angel,

Three years today that we have been apart.

Its not fair,

That our eyes cant

Meet and our bodies

Cant touch

I miss you so much.

How do I love thee? Let me count the ways.

I love thee to the depth and breadth and height

My soul can reach, when feeling out of sight

For the ends of Being and ideal Grace.

I love thee to the level of everyday's

Most quiet need, by sun and candlelight.

I love thee freely, as men might strive for Right;

I love thee purely, as they turn from Praise.

I love thee with the passion put to use

In my old grief's, and with my childhood's faith.

I love thee with a love I seemed to lose

With my lost saints,—I love thee with the breath,

Smiles, tears, of all my life!—and, if God choose,

I shall but love thee better after death.

Where we shall hold each other and once more, in Heaven.

Because Doris I do love thee more today than yesterday,

And I shall love you more tomorrow.

I may not be there to hold you tight

Just remember that you will always be in my heart

I'll hug you through my prayers

And give wishes through my kisses.

When the stars light up the dark night skies

I just feel like staring into your dreamy eyes

When it's time for bed I wish you were by my side

So we could both go together on a dreamy ride.....

Doris you will always have my true love.

"Your BoB" forever & always. OXOXOX's

“ *"Ain't No Woman (Like The One I've Got)"*
(originally by Hamilton, Joe Frank & Reynolds)

(Ain't no woman like the one I've got.)
(Ain't no woman like the one I've got.)
(Ain't no woman like the one I've got.)

Every day the sun comes up around her.
She can make the birds sing harmony.
Every drop of rain is glad it found her.
Heaven must have made her just for me.
When she smiles so warm and tender,
A sight for sore eyes to see.

Ooh, (ain't no woman like the one I've got.)
Oh, no, they don't come better.
(To make her happy doesn't take a lot.)
She don't ask for things, no diamond rings.
(So together, like a hand in glove.)
Like pages in a letter.
(Ain't no woman like the one I love.)

She can fill me up when it's down I'm goin' (I'm goin').
Put a little music in my day.
Wouldn't be surprised if my love keeps growin' (it keeps growin').
Bigger every minute that she stays away.
I would kiss the ground she walks on,
'Cause it's my word, my word she'll obey, now.
Woo-oooh. (Ain't no woman like the one I've got.)
Well, I kiss the ground she walks on.
(To make her happy doesn't take a lot.)
She's a real good friend right to the end.
(So together like a hand in glove.)
A lonely man when she's gone.
Ain't no woman like the one I love.

*Oooh. What a good, good thing I've got.
She means to me a lot.*

*(Ain't no woman like the I've got.)
No, no, they don't come better.
(To make her happy doesn't take a lot.)
She don't ask for things, no diamond rings.
(So together, like a hand in glove.)
Like pages in a letter.
Ain't no woman like the one I love.*

*(Ain't no woman like the one I've got.)
Well, I kiss the ground she walks on.
(To make her happy doesn't take a lot.)
I'm a lonely man with out you Doris, my baby's gone.*

Doris Darling;

Debbie, David, Heather & I are telling you

"Happy Mother's Day".

We miss you so very much.

*You were the best mother & wife I could have
ever have wished for.*

Give your Mom, my Mom & Frances a hug for Mother's Day from us.

Olden days

Lying on a bed of leaves

Watching clouds up through the trees

You said our love was more than time

It is colder now

The trees are bare the night long

I cannot get warm since you have been gone

I cannot stop singing sad songs

Where do I go from here?

Tell me where do I go from here?

The only true thing I know is that I will love you for all eternity Doris.

I'll forever love you the rest of my days.

“ Happy anniversary, my Darling Doris (37 years today)

You're always on my mind, especially today.
(our day)

"You're The Best Thing That Ever Happened To Me"

*I've had my share of life's ups and downs
But fate's been kind, the downs have been few
I guess, you could say that I've been lucky
Well, I guess you could say that it's all because of you*

*If anyone should ever write my life story
For whatever reason there might be
Ooh, you'll be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
Ah, you're the best thing that ever happened to me*

*Oh, there have been times when times were hard
But always somehow I made it, I made it through
'Cause for every moment that I've spent hurting
There was a moment that I've spent, ah, just loving you, yeah*

*If anyone should ever write my life story
Ah, for whatever, for whatever reason there might be
Oh, you'll be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
Oh, you're the best thing that ever happened to me
I know, you're the best thing, oh, that ever happened to me*

*I've got a never ending love for you
From the first time we met I knew
I'd have a never ending love for you*

In the words of a heavy heart

*It's just emotion that's taken me over
Tied up in sorrow, lost in my soul
But I know you can't come back
And that God has you in His hands
But if you could come home to me, Darling Doris
You know there's nobody else in this world to hold me tight
Nobody else in this world I would kiss goodnight*

*37 years ago I made a vow to love you forever & I will never break
that vow my Darling Doris.*

*I know your by my side, because your part of all the things I am and
that I do.*

You were an awesome lady and an awesome wife.

My heart breaks, I miss you so much Doris.

It's so very hard to be living this life with out you.

Your loving Bob for all eternity with hugs & kisses.

“

Doris;

*Sweetheart another month has passed,
(32now).*

Long and lonely months without you.

*But during the 35 years that we shared together
you*

decorated my life,

All my life was a paper, once plain, pure and white

Till you moved with your pen, changing moods now and then

Till the balance was right

Then you added some music, every note was in place

And anybody could see all the changes in me

By the look on my face

And you decorated my life, created a world where dreams are apart

And you decorated my life by painting your love all over my heart

You decorated my life

Like a rhyme with no reason in an unfinished song

There was no harmony, life meant nothing to me

Until you came along

And you brought out the colors, what a gentle surprise

Then I was able to see all the things life could be

Shining soft in your eyes

And you decorated my life, created a world where dreams are apart

And you decorated my life by painting your love all over my heart

You decorated my life

My Darling Doris, I know your in Heaven waiting for me,

*In the meantime my heart will always be painted
with only your true love.*

I remain "Your True Love Forever"

My Darling Doris;

*Miss you so much Doris,my life is so lonely with
out you.*

*As if that isn't enough,Rusty (Fuzzy Feet)
passed away*

one year ago today now.

*David & Heather are hear but they are always in there room as it's
always been as you know.*

*Still can't get ahold of Debbie. Haven't talked to her since before
Thanksgiving.*

*Felecia can't even get ahold if her. She doesn't live with Debbie,she
moved to*

*Louisiana I think. Heather talked to Felecia on Face Book. We all
sent Debbie Birthday greetings,but no response. Hate to call Dick
but if I don't find out something soon I will.*

*Haven't talked to Wade since Thanksgiving 2012. He has his nose
up Buzzy's & Betty's butt,you know what that is. Yes Betty is back in
town about two years now,I haven't seen her & don't care to.*

*I just do what I have to to try and keep the house up,David &
Heather help me with that. I just live from day to day if you call this
living!*

*I think about you all the time & talk to you,telling you how much I
love you as I always told you & kiss you goodnight every night.*

*Wishing you were here,some day we will be together again & know
you love me & I love you & that's all that counts.*

My love must be a kind of blind love

I can't see anyone but you

Are the stars out tonight?

I don't know if it's cloudy or bright

I only have eyes for you,Doris

The moon may be high

*But I can't see a thing in the sky
I only have eyes for you*

*I don't know if I'm in a garden
Or on a crowded avenue*

You are here with me in my heart

And always will be

*Maybe millions of people go by
But they all disappear from view
Because I only have eyes for you.*

Robert Bailey - March 29, 2015 at 05:13 AM

“ *The first time, ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars
Were the gifts you gave
To the dark, and the endless skies*

*And the first time, ever I kissed your mouth
I felt the earth move in my hands
Like the trembling heart
Of a captive bird
That was there, at my command, my love*

*And the first time, ever I lay with you
I felt your heart so close to mine
And I knew our joy
Would fill the earth
And last, til the end of time, my love*

*The first time, ever I saw
Your face, your face
Your fa-ace, your face*

You have my true love always my Darling Doris

Like roses need rain*

*You ask how long, I'll love you
I'll tell you true
Until the twelfth of never
I'll still be loving you*

*I wish you could hold me close
and I you
Never letting go*

*Hold me close
Melt my heart like April snow*

*I'll love you 'til the blue bells forget to bloom
I'll love you 'til the clover has lost its perfume
I'll love you 'til the poets run out of rhyme*

*Until the twelfth of never

Got a lot of love in store
And it flows through you
And it flows through me
And I love you so much more
Then my life, I can see beyond forever
Everything we are will never die
Loving's such a beautiful thing
Oh you make my world, a summer day*

*Nobody gets too much heaven no more
It's much harder to come by
Nobody gets too much love anymore
It's as high as a mountain

We can turn away from the night and day
And the tears you had to cry
You're my life
I can see a new tomorrow
Everything we are will never die
Loving's such a beautiful thing
When you are to me, the light above
Made for all to see our precious love*

Nobody gets too much heaven no more

“ *Doris;*

I can't believe that I'm here having to say goodbye. And I can barely see you through these tears I cry, I close my eyes. I can hear the sound, As angels gather round, Saying this is where you belong, Welcome home. There are the days that my heart aches wishing you were here. But I know where you are the hurt and the pain disappear, There's no more tears. What a lovely sound, Angels all around, Saying this is where you belong, Welcome home.

I know you are in Heaven and that's where you belong, but it hurts so much me being here without you. I miss you so very much my Darling Doris. I wish you were here with me in "our home". My life is not the same without you, and never can be again.

*My sweet Valentine;
You gave me your heart and I gave you mine.
The first time your eyes met mine,
Cupid shot his arrow through our hearts
And it was love for eternity.
I will always remember you in that sweet sailor dress,
You looked so cute, and you took my breath away.
But you always done that through the 35 short years we had

I could never have found a more fantastic lady than you my sweet

“ Yes my Darling Doris it's Nancy's birthday,give her a hug for me.
I miss you so much & I just thought you'd like to know.
In my lonely sleep I dream
of days that used to be
when I held you in my arms
and you whispered you loved me.

Now I hold my pillow tight
as I held you long ago
and my poor heart cries for you Doris,
Just thought you'd like to know.

There are pictures of you Doris
on my table by our bed,
I kiss them one by one
and say how much I love and miss you so
as my nightly prayers are said.

Then I can see your sweet smiling face
as I turn the lights down low
and we are joined in my dreams,
Just thought you'd like to know.

With the coming of the dawn
I must rise and face the day
wash the tear-stains from my eyes
and go on my lonely way.

Some day my “Darling Doris”
when we are in Heaven and together again,
you'll know,how much,I miss you so
and my heart cries for you.
Just thought you'd like to know.

Yes "My Darling Doris"
I just thought you'd like to know!

“ Merry Christmas My Darling Doris!

Miss you all the time, but more today, if that's possible. We weren't up late wrapping presents last night, like we used to do or putting toys together for David or you in the kitchen making the side dishes for today's Christmas Dinner. It's our third Christmas apart and I'm so sad with out you Darling. Life will never be the same with out you Doris, it has no meaning now. It's just one day after another. We had our Christmas Dinner yesterday, because David & Heather went down to her folks today. We are having Christmas when they get back this evening. But it's not the same without you Doris.

I miss you so much Sweetheart! Wont be able to hold you and give you Christmas Kisses & tell you how much I love you, except in my heart & mind.

I'll love you forever Doris, so with all my love, hugs & kisses, my Chantilly Lady.

"Your BoB" always Merry Christmas Sweetheart OXOXOX's

“ Doris my Darling;

All for you, because it's your fave-rt day of the year.

We put "Frosty The Snowman" up with the other yard decorations last Saturday.

Got the "Christmas Tree" up Monday along with the "Little Town", which David & Heather worked on & made it bigger & better (used your mirror that you had on your dresser holding your lipstick & things) making it a ice skating rink. Some new lights, trees, house & people. Looks nice, I know you would really like it. David fixed the "Naivety Sean" better also. All looks nice out side & in.

But it's missing YOU!

It's just not Christmas with out YOU, and it hurts so much, it really breaks my heart not to have you with me.

I miss you most at Christmas time!

With all my LOVE at Christmas and through out all the rest of the year for ever Doris.

“ *“Miss You Most (At Christmas Time)”* ”

*The fire is burning
The room's all aglow
Outside the December wind blows
Away in the distance
The carolers sing in the snow
Everybody's laughing
The world is celebrating
And everyone's so happy
Except for me tonight*

*Because...
I miss you
Most at Christmas time
And I can't get you
Get you off my mind
Every other season comes along
And I'm all right
But then I miss you
Most at Christmas time*

*I gaze out the window
This cold winters' night
At all of the twinkling lights
Alone in the darkness
Remembering us at Christmas time
Everybody's smiling
The whole world is rejoicing
And everyone's embracing
Except for you and I, my Darling Doris*

*Being that Christmas was your most fave-rt holiday, and
the Christmas decorations with the lights reflecting off your smiling
face,
just made you look all the sweeter.*

That's why I miss you most this time of year.

*But I will always love you any time of year, for ever "Doris Darling"

“ *Doris my Darling;
Your fave-rt Holiday is about upon
us, Christmas and
I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree.*

*I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas
Is you, you yeah.*

*I don't want a lot for Christmas
There is just one thing I need
And I don't care about the presents
Underneath the Christmas tree.*

*I don't need to hang my stocking
There upon the fireplace
Santa Claus won't make me happy
With a toy on Christmas Day.*

*I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
You baby.*

*Oh, I won't ask for much this Christmas
I won't even wish for snow
And I'm just gonna keep on waiting
Underneath the mistletoe.*

I won't make a list and send it

*To the North Pole for Saint Nick
I won't even stay awake to
Hear those magic reindeer click.*

*'Cause I just want you here tonight
Holding on to me so tight
What more can I do?
Baby all I want for Christmas is you,
You Baby.*

*Oh, all the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air.*

*And everyone is singing
I hear those sleigh bells ringing
Santa, won't you bring me the one I really need?
Won't you please bring my baby to me?*

*Oh, I don't want a lot for Christmas
This is all I'm asking for
I just want to see my baby
Standing right outside my door.*

*Oh, I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is
You, You baby.*

*All I want for Christmas is you, baby
All I want for Christmas is you, baby
All I want for Christmas is you, baby
All I want for Christmas is you, baby.*

Just you under the Christmas Tree, with a bow on.

Gone the sun.
From the lakes
From the hills.
From the sky.

Safely rest.

And a star.
Gems the sky.
Gleaming bright.

Drawing nigh.

Thanks and praise.

Neath the stars.
Neath the sky

“ Doris;
Twenty three months today you ascended into Heaven to become an Angel but you were always my Angel.

"Best Thing That Ever Happened To Me"

*Doris;
As you know we both had our share of life's ups and downs
But fate's been kind to me, because I had you
Which made the downs seem few
I guess you could say that I've been lucky
Well, I guess you could say that it's all because of you*

*If anyone should ever write my life story
For whatever reason there might be
Ooo, you'll be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
Ah, you're the best thing that ever happened to me*

*Oh, there have been times when times were hard
But always somehow I made it, I made it through
'Cause for every moment that I've spent hurting
There was a moment that I spent, ah, just loving you*

*If anyone should ever write my life story
For whatever reason there might be
Oh, you'll be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
Oh, you're the best thing that ever happened to me
I know, you're the best thing, oh, that ever happened to me
So with all my love for all eternity

“ August 6, 2012 I kissed you goodbye
Twenty-three months today

It seems like yesterday.

*I sit here where nothing is clear
But thoughts of me, holding you
Bringing us near, like we use to do.*

*Tell me when will our eyes meet?
When can I touch you?
When will this strong yearning end?*

*(I know it will never end, because I will always love you with all my
heart)*

But I want to hold you again.

*The thirty-five years we had takes me away
To the things we done together.
We started a story, but it was ended before we could finish the last
chapter.*

*And tell me when will our eyes meet?
When can I touch you?
And when will I hold you again?*

*I feel the change coming
I feel the wind blowing
I feel my blood flowing*

As the days come and go, I get older and I know

*With us together again I could share all that love, that we have for
each other*

*For you there's a Heaven
All I have is this sad earth,with out you my darling Doris.*

*And tell me when will our eyes meet?
When can I touch you?
When will this strong yearning end?
And when will I hold you again, again?*

I'll see you in Heaven Sweetheart,because

I know you are there waiting for me.

It's so hard to be with out you,I miss you so much.

*But that's when I can hold you and dance together again my Darling
Doris*

I long to here your voice

In the meantime,without you I'm all alone,so call me from Heaven

I'll here waiting by the phone.

*You have all my love always.

Sweetheart, because I miss you so much.

Shining brightly with me
And we have this love*

*Through all eternity

Our love is just the way it should be*

*'Cause our love will stand tall as the trees
Our love will spread wide as the sea
Our love will shine bright in the night
Like the stars above, we'll always be together with our love*

*My love is surely one thing
You can always depend on
In times of darkness and fear
I go to you, I know you'll make me strong
You made me happy
And you made me smile*

Our love will be for the whole world to see

And will never die 'cause we'll always have each other

Because love is soft, love is sweet

Sweetheart;

George's Birthday was yesterday (6/5/2014) I remembered (I'm a day late posting this to you it's 03:05).

Been helping David fix up a Ford Focus that he bought,we got it done.

Been 22 months yesterday since I lost you,but it hurts like yesterday,I still cry for you,because I miss you so much.

Lost and all alone

I always thought that I could make it on my own

Since you left I hardly make it through the day

My tears get in the way

And I need you back

I wander through the night

And search the world to find the words to make it right

All I want is just the way it used to be

With you here close to me

That I'm lost without your love

Life without you isn't worth the trouble

I'm as helpless as a ship without a wheel

A touch without a feel

I can't believe it's real

Yes, I'm lost without your love

Life without you isn't worth the trouble

All I want is just the way it used to be

I need you here with me

But Doris I know that can never be

Till I meet you in Heaven and your next to me

Just the way it used to be.

Doris ;I love you with all my heart and will for ever more.

With all my love forever

I burned a hole in the dining room table.
And let me see, I guess that's all.*

and so I'll close. Oh, by the way,
everybody's thinkin' of you.

I put a sign up. Think

What a handsome lad

But that ain't too bad

That's our boy

He draws pictures that are really good

That's our boy

You can have your TV and your nightclub

And you can have your drive in picture show

I'll stay here with my little man near

We'll listen to the radio

Biding my time and

Watching David grow

Making a castle out of building blocks

And a cardboard box

That's our boy

Mickey Mouse says it's thirteen o'clock

Well that's quite a shock!

That's our boy

In four short years

We've gone from rags to riches

And what we did before that I don't know

So let it rain on our windowpane

We've got our own rainbow

And we're sitting here shining

Watching David grow

Riding on daddy's shoulders off to bed

Old sleepy head

That's our boy

Got to have a drink of water and a story read

A teddy bear named Fred

*That's our boy
What's that you say mamma
Come on and keep your feet warm
Well save me a place
I'll be there in a minute or so
I'll think I'll stay right here and
Say a little prayer before I go
Me and God
Watching David grow
You Doris and me and God
Watching David grow...*

*Doris ;
Thank you so much for such for such a wonderful family!
But you are suppose to be here with me to watch David grow and all

The thought of you keeps runnin' through the back of my mind
Every time I'm near ya, I get that urge to feel ya
Just touchin' you and lovin' you makes ev'rything right

I never knew love before, then came you then came you

It's plain to see you're all I need to satisfy me
I'm so darned proud of ya, I wanna sing about ya
(Sing it, sing it, sing it, baby)
You oughta know you made love grow, by touching my hand

Another month has passed,making 19,since we have been apart. Miss you so much Honey,but I will never forget the last words you spoke to me" I LOVE YOU TO!" My heart is and always will be heavy with out you,because I love you so much.

You were my wonderful,amazing wife & lady to the last beat of your heart. We had 35 wonderful loving years together,I only wish we could do it again or more. Life is just to short.but at lest our true love will last forever. The tears keep flowing & I miss our coffee time in the morning,along with a hole lot more. I'm so lonesome without you but I have the pictures in my mind that will last forever.

Called Debbie on her Birthday,she is fine,got rid of John about 6 months ago.

Just the way you are!

*Oh her eyes, her eyes
Make the stars look like they're not shining
Her hair, her hair
Falls perfectly without her trying*

*She's so beautiful
And I tell her every day*

*Yeah I know, I know
When I compliment her
She wont believe me
And its so, its so
Sad to think she don't see what I see
But every time she asks me do I look okay
I say*

When I see your face

*There's not a thing that I would change
Cause you're amazing
Just the way you are
And when you smile,
The whole world stops and stares for awhile
Cause girl you're amazing
Just the way you are*

*Her lips, her lips
I could kiss them all day if she'd let me
Her laugh, her laugh
She hates but I think its so sexy*

*She's so beautiful
And I tell her every day*

*Oh you know, you know, you know
Id never ask you to change
If perfect is what you're searching for
Then just stay the same*

*So don't even bother asking
If you look okay
You know I say*

*When I see your face
There's not a thing that I would change
Cause you're amazing
Just the way you are
And when you smile,
The whole world stops and stares for awhile
Cause girl you're amazing
Just the way you are*

*The way you are
The way you are
Girl you're amazing*

Just the way you are

When I see your face

There's not a thing that I would change

Cause you're amazing

Just the way you are

And when you smile,

The whole world stops and stares for awhile

Cause girl you're amazing

Just the way you are

“ Sweet Heart

Today (2/27/2014) as you know it's Debbie's
Birthday,so I'll call her.

Doris Darling;

I miss & love you so very much & it hurts down deep in my heart.
I can't mend this broken heart,it needs you.

I can think of younger days when living for my life
Was everything a man could want to do
I could never see tomorrow
But I was never told about the sorrow

And how can you mend a broken heart?
How can you stop the rain from falling down?
How can you stop the sun from shining?
What makes the world go round?

How can you mend this broken man?
How can a loser ever win?
Please help me mend my broken heart
And let me live again

I can still feel the breeze that rustles through the trees
And misty memories of days gone by
We could never see tomorrow
No one said a word about the sorrow

And how can you mend a broken heart?
How can you stop the rain from falling down?
How can you stop the sun from shining?
What makes the world go round?

And how can you mend this broken man?
How can a loser ever win?

*Please help me mend my broken heart
And let me live again*

*Please help me mend my broken heart
And let me live again*

Songwriters

GIBB, BARRY / GIBB, ROBIN HUGH

*Thanks for the times
That you've given me
The memories are all in my mind
And now that we've come
To the end of our rainbow
There's something
I must say out loud*

*You're once twice
Three times a lady
And I love you
Yes your once twice
Three times a lady
And I love you
I love you*

*You shared my dreams
My joys my pains
You made my life worth living for
And if I had to live my
Life over again
I spend each and every moment with you*

*You're once twice
Three times a lady
And I love you
Yes you once twice
Three times a lady*

*And I love you
I love you*

*When we are together
The moments I cherish
With every beat of my heart
To touch you to hold you
To feel you to need you
There's nothing to keep us apart*

*You're once twice
Three times a lady
And I love you
Yes you're once twice
Three times a lady
And I love you
I love you*

Because that's the way you are and the way it was my Darling Doris

They say there will be a tomorrow but when it comes it's the same as yesterday because your not here to share our life together. All I have is our wonderful yesterdays. Wish there was some way we could turn back time, and have those wonderful times again.

*I know God called you home, but why did he leave me here like this?
I miss you so very, very much and it hurts.*

"Your BoB" forever with my everlasting love OXOXOX's

“ *There are things that we don't want to happen but have to accept, things we don't want to know but have to learn, and people we can't live without but have to let go.*

The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.

Doris;
(18 months)
I know that you are in the hands of God,but I miss you so much & will till the end of time.
With all my love for ever "Your BoB" OXOXOX's

“ Doris;

*You were not only my best friend, but the best wife a man could ever hope for & that is just some of the reasons I love you so much. You are the best that ever was.
"Your BOB" forever with all my everlasting love.*

One Friend

*I always thought you were the best
I guess I always will.
I always felt that we were blessed,
And I feel that way, still.
Sometimes we took the hard road,
But we always saw it through.
If I had only one friend left,
I'd want it to be you.
Sometimes the world was on our side;
Sometimes it wasn't fair.
Sometimes it gave a helping hand;
Sometimes we didn't care.
'Cause when we were together,
It made the dream come true.
If I had only one friend left,
I'd want it to be you.
Someone who understands me,
And knows me inside out.
And helps keep me together,
And believes without a doubt,
That I could move a mountain:
Someone to tell it to.
If I had only one friend left,
I'd want it to be you.
Instrumental Break.
'Cause when we were together,
It made the dream come true.*

*If I had only one friend left,
I'd want it to be you.
Someone who understands me,
And knows me inside out.
And helps keep me together,
And believes without a doubt,
That I could move a mountain:
Someone to tell it to.
If I had only one friend left,
I'd want it to be you.*

*I miss you so much Darling

*Softly whispering I love you
Echoes of your voice are calling still from my dreams
Softening the chill of the breeze
Through my window, I can see the moon glow
Painting silver shadows on a rose colored land
A world that we walk hand in hand*

In a day of gold covered by the glow of new love

*I can feel your warm face, ever close to my lips
And the scent of you invades a cool evenin' air
I can close my eyes and you're there
You're in my arms still, oh I know your soft kiss
Turning into music every beat of my heart
When I hold you close to my heart
And I hear your voice whispering I love you*

*I can feel your warm face, ever close to my lips
And the scent of you invades a cool evening air
I feel you there in my arms still
And I know your soft kiss
Is turning into music every beat of my heart
And I hear your voice whispering I love you*

*Ooh I know I need you
I feel you there in my arms still
I keep to forget
I love you*

“ Doris;
*When You Went To Heaven, It Got Another
Angel*

*The roses aren't as pretty
The sun isn't quite as high
The birds don't sing as sweet of a lullaby
The stars are a little bit faded
The clouds are just a little more gray
And it feels like things won't ever be the same*

*Heaven got another angel the night you left this world behind
Heaven got a little better the day that it took you away from me
I'm missing you tonight
I'll see you again sometime
For now, I'll close my eyes
And dream of heaven tonight*

*The beaches aren't as lovely
The sky isn't quite as blue
Still, they're sweetened by the memory of you
The rain is a little bit colder
The fire is never quite as warm
Still, it seems that heaven isn't all that far*

*Heaven got another angel the night you left this world behind
Heaven got a little better the day that it took you away from me
I'm missing you tonight
I'll see you again sometime
For now, I'll close my eyes
And dream of heaven tonight*

*I'm spending a little more time now with the things that mean a little
bit more
I'm noticing the wonders of this world
I love with a little more hope now*

*I live with a little more peace
Cause I understand how precious life can be*

*Heaven got another angel the night you left this world behind
Heaven got a little better the day that it took you away from me
I'm missing you tonight
I'll see you again sometime
For now, I'll close my eyes
And dream of you in heaven tonight.*

*Doris as you know today is Nancy's birthday. So I'm sure the two of
you are sharing Angel Food Cake with all the family that is with you
both in Heaven.*

“ Doris;

Seventeen months today since we said "I love you" to each other & we kissed. Now all I have are memories and an undying love for you.

*An empty street, an empty house
A hole inside my heart
I'm all alone, the rooms are getting smaller.
I wonder how, I wonder why, I wonder where they are
The days we had, the songs we sang together.(oh yeah)*

*And all my love, I'm holding on forever
Reaching for the love that seems so far*

*So I say a little prayer
And hope my dreams will take me there
Where the skies are blue, to see you once again... my love.
All the seas from coast to coast
To find the place I Love The Most
Where the fields are green, to see you once again... my love.*

*I try to read, I go to work
I'm laughing with my friends
But I can't stop to keep myself from thinking. (oh no)
I wonder how, I wonder why, I wonder where they are
The days we had, the songs we sang together.(oh yeah)*

*And all my love, I'm holding on forever
Reaching for the love that seems so far*

*So I say a little prayer
And hope my dreams will take me there
Where the skies are blue, to see you once again... my love.
All the seas from coast to coast
To find the place I Love The Most
Where the fields are green, to see you once again...*

*To hold you in my arms
To promise you my love
To tell you from the heart
You're all I'm thinking of*

Reaching for the love that seems so far

*So I say a little prayer
And hope my dreams will take its there
Where the skies are blue, to see you once again... my love.
All the seas from coast to coast
To find the place I Love The Most
Where the fields are green, to see you once again... my love.*

*Say it in a prayer (my sweet love)
Dreams will take it there
Where the skies are blue (woah yeah), to see you once again my
love. (oh my love)
All the seas from coast to coast
To find the place I Love The Most
Where the fields are green, to see you once again.... Doris My Love.*

“ Doris;

*Sweetheart It's going to be a blue Christmas
without you. You in Heaven with the white snow
flakes falling.*

*I'll have a Blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't be the same dear, if you're not here with me*

*And when those blue snowflakes start falling
That's when those blue memories start calling
You'll be doin' all right, with your Christmas of white
But I'll have a blue, blue Christmas*

*I'll have a Blue Christmas that's certain
And when that blue heartache starts hurtin'
You'll be doin' all right, with your Christmas of white,
But I'll have a blue, blue Christmas*

*Santa has your Chantilly under the tree and you'll know it's from
me, because you know I love you and it wouldn't be Christmas if I
didn't give that to you.*

“ Hi my Darling Doris;
*The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars were the gifts you
gave
To the dark and the endless skies, my love
To the dark and the endless skies*

*And the first time ever I kissed your mouth
I felt the earth move in my hands
Like the trembling heart of a captive bird
That was there at my command, my love
That was there at my command, my love*

*And the first time ever I lay with you
I felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time, my love
And it will last till the end of time, my love*

*The first time ever I saw your face, your face
Your face, your face*

You know Sweetheart, I have been so blessed with your love. We became a family and it was all because of you & our love for each other, thank you my Darling Doris.

Well we have all the Christmas decorations up, even the outside ones. It really looks nice. I done it for you Doris because you love Christmas so much & I love you. But it really hurts because you are not here, except in my heart, I miss you so much. I will always love you my Darling with my undying love.

“ *Doris; My Irreplaceable Darling:*

Sixteen months today I kissed your sweet lips goodbye for the last time. Our lips to never touch again in this world. My heart is so heavy with pain from from losing you as our life together was cut short. We had so much more to share and say to each other. But I feel so blessed to have shared our thirty five years of true love and to have such a wonderful lady as you for a wife.

David's right wrist seems to be healing well from his Carpal-tunnel Surgery that was injured @ his work. He's done good with the ridged cast that he had to ware on the left wrist. Still in a lot of pain with the right wrist, but looks good as the stitches are deteriorating out.

We miss you my Darling Doris!

Your proud loving husband forever "Your Bob" OXOXOX's

“ Doris Darling;

Today December 6,2013 makes sixteen months seance I lost you physically,but you will always stay in my heart forever. Therefore you well always be with me. I love you & miss you so much Doris it really hurts deep in my heart. With Heather & David's help I shampooed the carpets,getting ready to put up the Christmas Tree,for you. Because I know how much you loved Christmas. That's why I'm a little late getting this posted on your site. It's been bad for me especially since Thanksgiving,because you are not here with me as we shared all theses things,doing them together,for all the years gone by. That was the wonderful thing about our life & love,we shared it deeply with each other. I coped some lyrics down for us called:

"To Much Heaven"

Nobody gets too much heaven no more
It's much harder to come by
I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain
And harder to climb

Oh you and me girl
Got a lot of love in store
And it flows through you
And it flows through me
And I love you so much more
Then my life..I can see beyond forever
Ev'rything we are will never die
Loving's such a beautiful thing
Oh you make my world.. A summer day
Are you just a dream to fade away

*Nobody gets too much heaven no more
It's much harder to come by
I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain
And harder to climb*

*You and me girl got a highway to the sky
We can turn away from the night and day
And the tears you had to cry
You're my life..
I can see a new tomorrow
Everything we are will never die
Loving's such a beautiful thing
When you are to me, the light above
Made for all to see our precious love*

*Nobody gets too much heaven no more
It's much harder to come by
I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain
And harder to climb*

*Love is such a beautiful thing
You make my world a summer day
Are you just a dream to fade away*

*Nobody gets too much heaven no more
It's much harder to come by
I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain
And harder to climb*

*Nobody gets too much love anymore
It's as wide as a river and harder to cross*

*Nobody gets too much heaven no more
It's much harder to come by
I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain
And harder to climb (repeat and fade)*

We didn't get too much heaven Doris ,it was just taken away ever so quickly from us. Our life together was heaven,& you were my angel. I'm so blessed & thankful to have shared my life with you my darling Doris.

“ *My Awesome Darling Doris;*
Yesterday was our second Thanksgiving being apart and with out you it was not a good day. Missed you,the wonderful dinner you always made and us being together in the kitchen,me helping you. I roasted a Turkey again this year,but it just didn't turn out so good. Stuffed it,don't know if that had something to do with it or not. Taste was good but I just wasn't happy with it. Heather made the rest,Potato Salad (not yours through),Cranberry Relish,Candied Yams,Green Beans,Peas,Deviled Eggs and Rolls. I tried to do it for you,my Darling,but it hurts so much without you! Talked to Wade Monday and invited him up.He said,"He would,weather permitting",weather was great. Called him back yesterday,no answer,left message but he didn't show. Probably went to Buzy's. Going to call Wade later today.

Waiting on part for washer (timer control) Fedx

Oh good it's @ the door now.

Love was in the air in 1978 & it still is today.

I'll always love you sweetheart! I miss you so much.

Life is almost unbearable without you.

It's like when I turn my head, you should be there.

We went out to eat the other night and I was so sad, because you weren't there with me, we always done things together.

I hate going to bed, because you are not there with me,

I hate getting up in the morning, because I know it's another day without you.

But all the time there is love in the air.

You used to help me through the night

Make me feel alright

Now all I have is teardrops through a lonely night

I can't get-ya out of my mind

I can't get-ya out of my mind

I can't get-ya out of my mind

I can't get-ya out of my mind

I can't get-ya out of my mind

I can't get-ya out of my mind

Swearin' To God

(I love you)

(Whoooo)

Swearin' To God

There's no one else on earth I'd rather be, Mmmmm

Swearin' To God

He made me see, so I believe in you

Oh you been fillin' my cup till I'm running

Over with joy from your Heaven sent love

Just touch me again, I'm king of all men

And waiting for your love

(Whaaa)

Swearin' To God (Swearin' To God)

Your mistress of the world and all I am

Swearin' To God (Swearin' To God)

*Your one I want in paradise, began
No one gets up and like you can
But girl you know all I want only you and
Swearin' To God (Swearin' To God)
So glad he's given me you
(You, you, youuuuuu)*

*I was grown for you, baby
(Girl aren't you glad we made it?)
Made to give my heart and soul to you, baby
(I'm so very glad you gave it)
Baby when we're together
Try to hold on forever, as long (as long) as we can*

*Swearin' To God (Swearin' To God)
I dedicate my life to lovin' you, yea
Swearin' To God (Swearin' To God)
I cross my heart and hope to die, I do
Now call me a one-woman lover
I can't even look at another*

*'Caus I'm Swearin' To God (Swearin' To God)
So glad I'm livin'
I'm Swearin' To God (Swearin' To God)
For all he's given me
Swearin' To God (Swearin' To God)
So glad he's given me you*

*Whoooooa, Swearin' To God (Swearin' To God)
For what he's given me
Swearin' To God (Swearin' To God)
For what the world can see
He's given me you
Whoo
(I love you)
(I swear it,
I swear it)*

Doctor, doctor

Whooaaaaa

*The hot summer night fell like a net
I've got to find my baby yet
I need you to soothe my head
Turn my blue heart to red*

*Doctor, doctor, give me the news
I've got a bad case of lovin' you
No pill's gonna cure my ill
I've got a bad case of lovin' you*

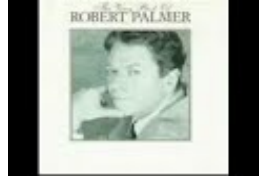

*A pretty face don't make no pretty heart
I learned that, buddy, from the start
You think I'm cute, a little bit shy
Momma, I ain't that kind of guy*

*Doctor, doctor, give me the news
I got a bad case of lovin' you
No pill's gonna cure my ill
I got a bad case of lovin' you
Whooaaa*

*I know you like it, you like it on top
Tell me, momma, are you gonna stop?*

*You had me down, 21 to zip
Smile of Judas on your lip
Shake my fist, knock on wood
I've got it bad, and I've got it good*

*Doctor, doctor, gimme the news
I got a bad case of lovin' you
No pill's gonna cure my ill
I got a bad case of lovin' you*

“ REMINISCING

*Friday night it was late, I was walking you home
We got down to the gate, I was dreaming of the night
Would it turn out right?
How to tell you girl, I want to build my world around you
Wanna tell you that it's true
I wanna make you understand I'm talking about a lifetime plan*

*Glen Miller's band was better than before
We yelled and screamed for more
And those Porter's tunes made us dance across the room
It ended all too soon
On the way back home I promised you'd never be alone*

*Hurry, don't be late
I can't hardly wait
I said to myself when we're old
We'll go dancing in the dark, walking through the park
And reminiscing*

*Friday night it was late, I was walking you home
We got down to the gate, I was dreaming of the night
Would it turn out right?
Now as the years roll on, each time we hear our favorite song
The memories come along
Older times we're missing, spending the hours reminiscing*

*Hurry, don't be late
I can't hardly wait
I said to myself when we're old
We'll go dancing in the dark, walking through the park
And reminiscing*

+++++

Doris:

That's kind of the way it began, we were hand-in-hand.

*We told told each other,that we wanted to build our world around each
We said that it's true,
We understood it was about a lifetime plan.
We said; when we're old,
We'll go dancing in the dark, walk through the park
And reminisce.
Then as the years rolled on, each time we head our favorite song
The memories come along
Now the older times we're missing, spending the hours reminiscing
Sense God called you to Heaven,I'm reminiscing along.
As I do,It's all about you an the things we use to do.
But it's just not the same with out you!
But now as the years roll on,there is one thing that will always be,my h
belong to you.
I truly love you,forever my darling Doris.

"Alone again, naturally"

*In a little while from now,
If I'm not feeling any less sour
I promised myself to treat myself
And visit a nearby tower,
And climbing to the top,
Will throw myself off
In an effort to make it clear to who
Ever what it's like when your shattered
Left standing in the lurch, at a church
where people 're saying,
"My God that's tough, she stood him up!
No point in us remaining.
We may as well go home."
As I did on my own,
Alone again, naturally*

*To think that only yesterday,
I was cheerful, bright and gay,
Looking forward to, but who wouldn't do,
The role I was about to play
But as if to knock me down,
Reality came around
And without so much as a mere touch,
Cut me into little pieces
Leaving me to doubt,
Talk about God in His mercy
For if He really does exist
Why did He desert me*

*In my hour of need?
I truly am indeed,
Alone again, naturally*

*It seems to me that
There are more hearts
Broken in the world
That can't be mended
Left unattended
What do we do? What do we do?*

(instrumental break)

Alone again, naturally

*Now looking back over the years,
And what ever else that appears
I remember I cried when my father died
Never wishing to hide the tears
And at sixty-five years old,
My mother, God rest her soul,
Couldn't understand, why the only man
She had ever loved had been taken
Leaving her to start with a heart
So badly broken
Despite encouragement from me
No words were ever spoken
And when she passed away
I cried and cried all day
Alone again, naturally
Alone again, naturally*

“ *Doris; Darling:*

*Thanks for the times that you've given me
The memories are all in my mind
And now that we've come to the end of our
rainbow*

*And passed on into heaven
There's something I must say out loud*

*You're once, twice, three times a lady
And I love you
Yes, you're once, twice, three times a lady
And I love you
I love you*

*When we were together, the moments I cherished
With every beat of my heart
Wish I could touch you, hold you, feel you, as I miss you so
much*

I remember and I wish we could do it all again

*We will always be together in my heart
Therefore nothing will keep us apart*

*You're once, twice, three times a lady
And I love you
I love you*

“ Darling Doris:

Today is another sad day without you! It's been a year today @ 04:29 that I lost you. I hugged & kissed you & our last words were spoken to each other "Doris I love you" & you looked @ me & replied "I love you to"! The sweetest words that could ever be said! So all I have are the wonderful memories of us & our love that we shared together. So Sweetheart, this is to share with you, how I still feel & remember.

*So I sing you to sleep
After the lovin'
With a song I just wrote yesterday
And I hope you can hear
What the words and the music have to say.*

*It's so hard to explain
Everything that I'm feelin'
Face to face I just seem to go dry.
But I love you so much
That the sound of your voice can get me high.*

*Thanks for takin' me
On a one way trip to the sun.
And thanks for turnin' me
Into someone.*

*So I sing you to sleep
After the lovin'
I brush back the hair from your eyes.
And the love on your face
Is so real that it makes me want to cry.*

*And I know that my song
Isn't sayin' anything new.*

[From: <http://www.metrolyrics.com/after-the-lovin-lyrics-engelbert-humperdinck.html>]

*Oh, but after the lovin'
I'm still in love with you.*

*So I sing you to sleep
After the lovin'
I brush back the hair from your eyes.
And the love on your face
Is so real that it makes me want to cry.*

*And I know that my song
Isn't sayin' anything new.
Oh, but after the lovin'
I'm still in love with you.*

*Yes, after the lovin'
I'm still in love with you.*

*Hmmm, after the lovin'
I'm still in love with you.*

*Burnt out ends of smoky days
The still cold smell of a morning*

“ *Doris, my Darling;*
Eleven months ago today I held your hand & kissed you good by for
the last time. But as this old song, Liberace played as his closing
theme, says it all.

I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day through.

In that small cafe;
The park across the way;
The children's carousel;
The chestnut trees;
The wishin' well.

I'll be seeing you
In every lovely summer's day;
In every thing that's light and gay.
I'll always think of you that way.

I'll find you
In the morning sun
And when the night is new.
I'll be looking at the moon,
But I'll be seeing you.

I'll be seeing you
In every lovely summer's day;
In every thing that's light and gay.
I'll always think of you that way.

I'll find you
In the morning sun
And when the night is new.

*I'll be looking at the moon,
But I'll be seeing you.*

*I miss you so much Doris,my love. It really breaks my heart bad that
your not here with me so I can hold,kiss & tell you how much I love
you.*

*But some day I will see you in Heaven were I know you will be
waiting for me.*

*So till then Darling,I'll be looking at the Moon Doris, but I'll be seeing
you.*

*When we was together
Everything was so grand
Now that she's gone
There's just one sound
That I just can't stand*

*I can't stand the rain
Against my window
Bringing back sweet memories*

*I can't stand the rain
Against my window
'Cause she's not here with me*

*Alone with the pillow
Where her head used to lay
I know I've got
Some sweet memories
But like the window
There's nothing I can say*

*I can't stand the rain
Against my window
Bringing back sweet memories*

*I can't stand the rain
Against my window
Just keeps on haunting me*

“ Life has a way of finding time to look back on the past,
And reminisce about the days we thought would always last.

But God called you to Heaven, and with this life you have passed.

*But I will never forget when you would hug and comfort me, and
smile your special smile,
And always, when I needed help, you'd walk that extra mile.*

*Dear Mom, you loved and cared for me through all my childhood
days,
Encouraged me when I was down, then lifted me with praise.
You always did believe in me, and always seemed so sure,
"As long as you done your best, you couldn't do any more".*

*How quickly have the years flown past, now I am older too,
And when I look back through the years I'm thinking about you.
How kind and patient always through the days, the months, the
years,
And how, with such a loving heart, you calmed my doubts and fears.*

*We also shared such happy times, much laughter I recall,
Whatever time we had to share, you gave to it your all.
I'm thankful that your love for me gave me that "special" start,
So when I say, "I love you Mom", you know it's from my heart.*

“ Hi Sweetheart;

As yesterday was Easter,I fixed a ham with Orange Glaze,Scalped Potatoes,Green Beans & Deviled Eggs. Heather made the eggs & Green Beans for me & together we done the potatoes. It turned out nice but not as good as you would have done. Half way through dinner I cried because you were not here with us. I miss you so much,I hate this life with out you,it's so lonely! My darling Doris,I love you so much & always will. I'm trying to get some things accomplished here on earth for us & when completed I'll be ready to join you,so that we can embrace each other and dance again.

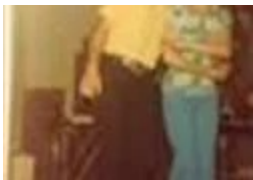

With all my love forever "Your BoB" OXOXOX's

“ Doris;

I held your hand kissed your lips,& said good by for the last time eight months ago today. I know your sole was already in heaven looking down on me,because you were always a sweet angle,but now you have wings.

Our Schefflera Plant,which is now 35 years old,is doing real well. I brought it in last fall & have it in bedroom window,no loss of leaves. Brought home two Spathiphyllum Plants from your funeral,they had nice white blooms on them at that time. The large one now has a bloom starting to open,I have them under your Owl Lamp.

Sweet Heart,I miss you so much,wish you were here so we could be shearing all the things we did together. It's a lonely,lonely life with out you!

“ MEMORIES

*To my adorable Doris;
Can't have you with me any more, except in my
heart and mind, which is where you will all ways
be.*

*All I have are memories tucked away in the corners of my mind.
Things like, your special smile, that cute little laugh, holding hands
and the hugs we shared, a whiff of the Chantilly you wore and your
sweet kisses.*

I'm only living on memories.

*(Honey, I'm trying to write this with tears in my eyes. It's so hard to
go on without you and I wonder, what for!*

Life is not worth a damn any more, without you Doris!

*But I know you would want me to go on, so I'm doing it for you. I can
hear what you would be saying to me about that.)*

*Memories of times you would be playing a game on the computer,
late at night and you would say to me,*

"Bob, would you do something for me?"

I responded "Sure!"

You'd say, "Would you make me a grilled cheese?"

Usually I responded with, "It'll cost you a nickle!"

You'd come back with, "I don't have a nickle!"

I'd say, "Ok, it'll cost you a kiss then"

*I remember you gave me lots of good, kisses and I got more when I
brought you the grill cheese and a coke!*

*Other times you'd get up from your chair, go to the kitchen, and come
back with two bowls of popcorn and a coke or make us a snack.*

*Memories of our morning coffee together at the kitchen
table, discussing events and things we should do.*

Memories of us dancing for the kids, boy we could do the Jitterbug!

Honey, you always made me feel like dancing!

Some memories of our old songs we danced to;

"Your The One I Want" - Oliva Newton John

"Night Fever" - Bee Gees

"Kiss You All Over" - Exile

"Old Time Rock & Roll" - Bob Seger

"Just The Way You Are" - Billy Joel

"Do You Love Me"now that I can dance!-Contours

That's just some of the wonderful memories of things we had and shared together!

Our life together was fun and wonderful and I really miss that more than words can say,but I know you would understand how I feel.

We were so much in love! You were the best wife,lover and mother to the kids that a husband could ever hope to have.

Today (3/6/2013) starts the eighth month,with out you,my "Sweet Doris". I don't understand why I had to loose you. We planed on getting old together. But I'll join you some day and we'll dance together again Sweetheart!

No one could ever compare to you "Sweetheart". Because that's the way you were. That's why I love and miss you so much,and it hurts my heart,Baby Doll" It's like something has tore my heart out.

So I'll keep living on memories,till we are together again.

"Doris Honey": You have all my undying love!

"Forever Your Bob" OXOXOX's

It's the last day of the year. The worst year of
my life was 2012,there can never be another
year as bad. This is New Years Eve when we
would traditionally embrace each other,wish

away from us,to never have again. But at that midnight hour you will
be in my heart and with me Darling and I will still share a toast with

Today is December 6,2012,the start of 5th.month with out you. Christmas is drawing near,your favorite holiday.Each day my heart grows heaver and it gets harder,the closer it gets to Christmas,,with out you. This would have been our 35 th.Christmas.

I'll put up the "Christmas Tree" just for you. But it won't be the same,because I can't see the joy on your face when you open your gifts,nor will we smell the cookies & food baking in the oven as you used to do for us.

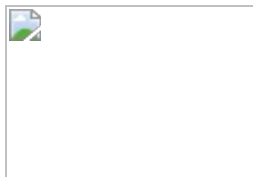

Lenard Burnsstine said; "When the passion is to much sing and when the passion is still to much dance".

Honey we danced together for over 34 years and had the time of our life,and I owe it all to you! A true love story. No one can ever take that from us.

But now the music died with you and I can't dance with out my partner any more.

Some day Doris,will dance together again. Until then I will keep the love and music in my heart just for you I vowed that I would always love and cherish you forever. You will forever be in my heart and on my mind.

Reflections of Doris;

As I think about the life Doris & I shared (34 + years, which was way to short) & the love that we had for one another, it makes me so thankful that she came into my life.

The love Doris gave to me, & I returned to her, was and is an undying love, that not many people have the privilege of possessing in their life time.

I'm so grateful for her inspirations that has helped guide me in taking care of things alone, such as the house, like she would have done. I didn't realize it, but I learned as I was helping her. She had a certain way she made the bed, or other chores like cooking, cleaning & all the other things she did to make the family happy along with her love. When I worked on the car or some other project she was always there by my side.

Doris shared some "virtues" with me that stand out; Faithful commitment, joyful spirit, compassionate, kindness, uncompromising integrity, generosity & that's all called LOVE.

I have lost her physically but she will always be deep in my heart & by my side. The better half of me is gone & it really has left a big hole in my heart. Only she would understand how that feels because of our love for each other.

Doris you are & always will be, my one and only "True Love".

Thank You Sweetheart!

Doris my love;

You were my greatest and best friend,my partner in life,my true and fateful lover,to the last beat of your heart.

My love for you,is that to,as it has always been.

True love and devotion,like ours,last forever and ever. That is what we had and shared with each other.

Baby Doll,I miss you so much. It's like my heart and sole has been ripped out of me, and I know only you could understand that feeling.

Sweetheart,I keep looking for you through my teary eyes,and listing for your voice,but I know I can only see and here you in my heart.

Honey,you were such an au sum wife,mother and a lady.

Doris,from the bottom of my heart,you have my undying love for ever and ever.

I'm trying to keep the house as you would have, I make our bed every day first thing,laundry each week and put them away,clean the floors,carpets and make sure all the dishes are done right after we eat.

But supper time is not the same with out your hands preparing it and you at the table with me. I'm trying Honey! But it's not easy with out you by my side,but I'll do it for you Baby Doll.

Some day we will be together again.

Doris:

They say "Grief is the price we pay for love." In an incredibly ironic sense, these words remind that grief is experienced when relationships are disrupted.

That is why I'm hurting so deeply and miss you so much Sweetheart, because of the deep love we shared for each other. This was disrupted so quickly, even after 34 short years. We still had a lot to say to each other and things to do and share with one another. Now all I can do is kiss your pictures, and say "I love you with all my heart".

It's so hard to write this with the tears flowing in my eyes, but I wanted to share this with you Honey, because my love for you is ever lasting. With all my love, "Your BOB forever!"

Now I hold my pillow tight, as I held you long ago. My heart cries for

You didn't see how deeply you affected our lives and touched our hearts. You never judged anyone, you loved and cared for everybody, some of us you took off the street and fed and comforted and then straightened our asses up so that we did right and would be ok. Some of us you off drugs, some you got out of trouble, and there are some accounts I don't know well but you saved lives and when you passed you kept doing it and you brought brothers back together. *Maranda Thank You ;
 Doris would set by my side and watch us play poker. She had as much fun watching as we did playing. We were so much in love & that's why it hurts so deep to have lost her. It's like being in a whirlpool & I can't get out. We had a deep love for each other & wonderful marriage of 34 years, Doris was the love of my life & I have lost the best part of my life & that life was to short. I'm trying to go forward for her, but it really hurts.
 Your friend & poker pal;

Thanks Dale;

Am so glad you came over that day & we got to talk together & for you to meet Doris. Doris enjoyed talking to Judy on the phone & sharing things with her. Doris was sent from God to me, but I had to give her back to Him only to soon, & it hurts bad! My heart is broken! Yes she is in heaven, and I know she is weighting for me to hold her in my arms again..

I WILL ALWAYS LOVE YOU SWEETHEART! "YOUR BOB" FOREVER!

Robert Bailey - August 16, 2012 at 10:48 AM

Doris, sweetheart;

"I've never felt this alone,"

"They just want to fix me,"

"They don't understand that the only thing in me that's broken is my heart—and there isn't a 'fix' for that!"

Well-meaning family members and friends try to "cheer me up" or encourage me to "move on." But what can I do with the loneliness that seems without end? The loneliness in my heart.

I miss you so much, it really hurts!

All my love forever; "YOUR BOB"

Amanda Younger (Jeffers) - August 13, 2012 at 11:26 PM

Thank you Amanda;
Doris thought the world of you. You held a special place in her heart. Yes you called her Mom & me Dad & we thought that was special & sweet. Doris & I were each others life, and now she is gone from me, but she will always be a big part of me! God gave me an angle for 34 years, but I had to give her back to Him, & that hurts, real bad. But He welcomed her with loving arms to keep her safe till we can be together again, to hold one another & share our kisses. She will always be my one and only true love. Thank you for the times you shared with Doris. May God bless you & keep you safe;

“ Doris was like a mother to me. I knew her since seventh grade. Doris always made me feel so welcome in her home. She watched me grow up. She was always so glad to here my voice when ever I called, especially when I called from Iraq. I spent many days sitting in the kitchen drinking coffee and telling her what was on my mind. When ever I needed a place to go Doris was there waiting with a hot cup of coffee. The world has lost a wonderful woman but we will never forget the mother to so many people.

Stephen Arrington - August 10, 2012 at 11:54 AM

Stephen; We can still have that cup of coffee and Doris will be with us in our hearts.

“ I think the best memories of Doris were sitting at the table with her and Bob drinking coffee the conversations were always wonderful. She was like a mother to me and helped me through some of my worst times. She could make situation better with a kind word her beautiful smile. She has left a wonderful impression on the hearts of everyone she met. She never judged people by their looks she gave all of us a chance and we all loved and respected her for that very reason. Doris will be missed by many people.

“ *It saddens my heart to know of Doris passing. Doris was a sweet lady she loved her family very much. She was a great cook, wife, and mother she was also a great friend. I can remember her face would light up with joy of talking about her family, her childhood memories and even when she would talk about Elvis oh how she loved Elvis. I remember talking to her on the phone when I was in labor and it made my day I knew she couldn't be there with me, but her thoughts were. Doris was the kind of lady that could put a smile on your face and when you would walk in the home with Doris cooking she would offer you something to eat. Every time around Christmas she would send Heather and David down with cookie's cake and other goodies I do believe the cookies her and heather baked were the reason I was as big as the side of the house. I will miss Doris very much and I hurt for all of you at this time. I know someone passing is a very difficult thing to go through. Doris is in no more pain she has her wings and she's just taken flight. She is seeing Elvis, Her mom and Dad, And plenty others that she would have loved to see. Doris is with everyone of you in your hearts. May God give you all the strength at this time and through the year's. You are all in my thought's and prayers. With love from Sophia and Kaitilyn Price.*

“*But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.*” Isaiah 40:31.

Dear Bob and All of Doris' Family

I know that the heaviness of heart you feel speaks volumes of the wonderful, irreplaceable woman that has lived in this life as your beautiful and special wife, mother, sister and friend. My heart goes out to each of you and I will continue to pray for you all as you work through the grief you feel. Although the pain of loss is great, there is also joy and celebration in the image of Doris safe in her Creator's arms, free from pain and all earthly trials.

God Bless You
