“ *My name is Roy L Whitaker, Jr. and I live in Burlington, NC. My mother Harriet Holland Whitaker was a niece to Dot's husband. My mother died in June of this year at age 93 and she always said she would like to know how Dot was doing but she was never able to call due her own poor health. She spoke of Dot often and I am sure they are catching up on everything and enjoying good health.*

“ Dorothy was always a sweet woman. She loved you and your family, Jeannie, very much. And she was all about her grandkids! Whenever my husband and I saw her she would speak of them often and tell us all they were doing. Jeannie you were fortunate to have such a good relationship with your Mom! You have been a faithful daughter to her through out her lifetime and illness. We will be praying for you and the family and grandkids during this difficult time.
