“ *Aunt Dot was the most loving and God filled person. To see her is to see the light of Jesus's love beaming out to the world. No doubt she is singing God's praises in heaven.*

“ *Dear Sara and Family,
What a joy it has been for me to have been able to know your Mother. I immediately felt a "connection in spirit" with her when we honored her for 70 years membership in DAR at Black Mountain's Red Rocker Inn... and then to be able to visit a short spell with both of you when you signed your DAR application. I believe that this truly touched her heart that you would now follow in the organization which meant so much to her since 1948! I shared with our State Regent Carole Weiss of her passing. She was saddened with this news, but she was also glad that she was able to honor her with so many years of being a Daughter. What an inspiration she has been to many through her faithfulness in serving her fellow man. May Our Lord provide each of you in your family with His Peace in knowing that she lived a full life. My Sympathies, Sharon Byers Conner, Regent, Ruth Davidson, NSDAR*
