“ *Lelia and family -- I am sorry for your loss. My extended Rice-Wolfe family owes so much to your mother for such tireless work in preserving the family cabin in Beaverdam. I remember meeting your mom a few times when we were in elementary school at Jones, but have such wonderful memories of getting to know her through working on the family reunions a few years ago. She was a warm, wise, humorous lady with a view of life we should all emulate and admire. I am grateful to have gotten to spend time with her. Holding you and your family in prayer,

“ *I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.*
