“ *I want to express my sympathy to Joyce and the entire family at this time of Frank's passing. My prayer is that you will be blessed in the coming days with many fond memories of Frank. I know Frank was a wonderful husband, father, son, brother and grandfather to his family. I can only imagine the humor and fun you all had spending time with Frank. Whenever you were around Frank, he gave you his full attention and respect. He had a keen wit and sense of humor that could brighten your day. I got to know Frank best serving on the Board of the Council of Aging for Buncombe County. Frank was passionate about service to others and he always approached his responsibilities with integrity and a caring attitude. Frank was always willing and able to step up and contribute whenever asked because he cared. I will miss his counsel and humor. I look forward to the time when I will see Frank again in Heaven and enjoy his company again. May God continue to bless the family and fill the void with love and assurance.*

“ I met Frank when I joined the board of directors for The Council on Aging of Buncombe County. He greeted me with such a sincere smile and handshake, I thought "this fellow is going to be a great friend". in the board meetings, Frank was always prepared to speak about the finances as he served as Finance Chair. He was active in the council in every way and was much appreciated and respected by all fellow board members.

Frank will be missed greatly but we know he is now in a better place than any, being with the Lord.

“ I am deeply saddened to learn of the passing of my friend and former colleague. Frank and I have been friends for over 45 years and served together during the 70's as instructors in the U.S. Secret Service Office of Training. We lived in the same Manassas, VA neighborhood and commuted to work in Washington, D.C. together for quite some time. Frank was a consummate professional and even though we lost contact after retirement I shall miss knowing that Frank is out spreading good cheer. RIP my old friend and God bless his family.

“ I met Frank on Dec. 10, 1970, my first day on the job at the U.S. Secret Service Office in Birmingham, AL. We worked together in both the Birmingham and later, Jacksonville Offices. After we each retired, we fished together for over twenty years. Frank was the finest man I've known and it was my privilege and honor to call him my friend. He will always be missed.
