“ *Georgette was roommate for our mom the past several months at Universal Health Care. She was always a gracious and appreciative lady of our conversations with her and sharing "treats" with her. My sister and I extend our condolences to her family. Dick and Sue Allen*

“ *I am so sorry to hear about your loss, please accept our condolences. I know this is a very difficult time in the family life because death bring on sadness of heart and stress. Though this is a sad time remember that God still care for us and have promised that our loved ones will be resurrected back to life to live in a paradise. Christ Jesus said "Do not be amazed at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out" (John 5:28,29; John 11:11-14;38-44). What a wonderful hope that is, though this is a sad time for you we have to keep these promises next to our heart so we can continue to look to God for comfort.*
