

Gregory Shaun Keller

December 13, 1961 - April 13, 2020

Gregory Shaun Keller, 58, passed away at home, from natural causes, on April 13, 2020.

Gregory was the much loved son of Nancy Hudgins Keller and the late Dr. Charles Augustus Keller. Gregory was born December 13, 1961, in his mother's hometown, Wharton, Texas. He spent his early years in his father's hometown, New Orleans, then moved with his family to Asheville in 1967.

Gregory remained in the Asheville community throughout his life.

Gregory will be remembered for his love of conversation, his unique wit and keen intelligence, and, most of all, for his 'sweetness,' his empathy for all human beings. Like his father, Gregory was a people person.

In his early years, Gregory enjoyed working at Grovewood Cafe and Mission Hospital. Later, Gregory would experience many health challenges. The family would like to thank all the doctors, physician assistants and nurses at Mission Hospital and throughout the community, who cared for Gregory with such kindness and love.

Gregory will be greatly missed by his siblings and their families: brother Scott Keller and sister-in-law Amanda Keller, their three daughters, Hannah, Sarah & Olivia; sister Leslie Keller and brother-in-law Graham Ramsey; sister Michelle Keller Gould and brother-in-law Joel Gould, their two daughters, Josie and Gabi.

Finally, a very big thanks to Gregory's neighbor Harvey Brewton, who went miles beyond the call of duty—a true friend.

A celebration of life will be planned in the future.

“ *We remember Greg fondly from our family's opportunity to know them through Asheville Country Day School in the 1970's as well as our membership at All Souls Episcopal Church. I was an assistant coach for soccer and Greg was an enthusiastic participant. Susan and I send our condolences to the family and join you in grieving a fine young man.*

“ *To all the family- much love. Greg and I grew up together and were especially close at TCR- we skipped a good bit of school and hung out on the parkway/lake Julian- just talking for hours. Sweet, quirky, but I adored him. So sorry for the loss. Xo*

What can one say about this whirlwind of a brother from another mother other than what Leslie beautifully writ as I listen to music Greg turned me on to (John McLaughlin) I think he'd pay it forward....

One of his great kindnesses was showing up at my Dad's funeral. If you went to a movie with Greg you'd miss the Coming Attractions, but he showed up in life.

This is so hard to believe! Though I hadn't seen him in years, I picture Greg as I last saw him, alive and animated, sporting his signature madras jacket and tennis racket, holding forth intellectually and intelligently at Magnolia's, on a variety of subjects, but especially about on Republican politics, which was our shared interest at the time. Sending hugs from a safe distance to your brother and sisters, especially my old friend Michelle.

So sorry to hear about Greg. He was a hustling soccer player at CDs and as I remember an ardent Republican enthusiast. I also remember his interest in the stock market when I was a young broker. Rest in peace Greg..Bill Pomeroy
