“ Dear K. Kosta, John and Yotty,
I am at a loss for adequate words to express my sadness for you. My heart aches for you and your family during this time. I know heaven just received one of the most special people I had the pleasure of knowing. Your wife/mom was a caring, nurturing and giving individual. My thoughts have been encompassed with memories of our time together during my childhood; There were times where she made me laugh ‘till tears ran down my cheeks. Today, those tears of laughter are tears of inconsolateness. You are not alone in this journey. For having lost my dad not too long ago, I am standing by your side in prayers. Ismini touched so many people’s lives, enriching all of us. She is one woman I will never forget. She will always have a special place in my heart.
Heartfelt sympathies are extended by Dino and Alexia.
With love,
Penny
