“ *Aunt Jean will be remembered for so many reasons, but mostly because she never forgot. She always remembered our birthdays, anniversaries, and holidays with her wonderful cards and letters, telling news of family and friends. She was a teacher, but also a student and life-long learner whose educational pursuits inspired us all. Jean's famous broccoli casserole will forever be part of our holiday traditions. We will miss her, but her beautiful memory will live on in our hearts and minds forever.*

“ God Bless Mrs B, what great memories I have from days and evenings spent at the Bohmbach house. She gave lectures to us that I remember to this day - that would be to Stan, Jim and I , she was a lovely person . I'll bet the angels are whispering, why would God give someone who hates flying the nicest wings. Jim and Lynda, you are in our thoughts and prayers.

“ I loved Mr. and Mrs. Bohmbach. They were a big part of my childhood in Asheville, and I have many wonderful memories of them and being at their house. I also have wonderful memories of being with them at Sunset Beach. I think they both had the most wonderful, infectious laugh ever, and I can clearly hear both of them laughing in my mind. It makes me smile to think of them in Heaven together, and I sincerely hope my Mother is with them and they are all having a big time!  
With much love and sympathy to Jim, Lynda and families,

“ To the Family: I was not at the service today, but I have had Mrs. Bohmbach and what her friendship meant to me close at heart since receiving the call from Jim. To be able to view the video and photos meant a lot and opened the door to times in her life when I did not know her. Again, my heartfelt sympathy to you during this sad time.

“ Where do I begin? Jean Bohmbach was my very first teaching assistant in my first teaching position. It was many years ago that my five-month interim position with her by my side led to a life-long friendship. Regardless of the age difference, she had that special gift of dissolving it. Whether she was in the presence of a five year old or someone ninety five, she was so well-versed in current trends and events that the age difference was never evident. Next, I appreciated her sense of adventure. Whether there was a new restaurant in town or new senior classes, she was ready to go! Then, we had the type of friendship that meant we could go many weeks without speaking, yet when we talked, it was like our last conversation was only ten minutes ago...picking up where we left off. Mrs. Bohmbach represented kindness with the cards she sent my children every Christmas and birthday until they went to college. They knew her as Mom's friend who always remembered them. Finally, her love for her family was front and center. We exchanged the whats, wheres and whens about our children and grandchildren whenever we talked. That is when I always noticed an extra dose of excitement in her voice. And she usually had photos! Finally, I am thankful our paths crossed so many years ago in a classroom at Woodfin Elementary School. Mrs. Bohmbach's memory will be with me always.

“ I am sending my condolences as well...Even though I had not seen "Aunt Jean" and "Uncle Willis" for a long time, I have many fond memories from when I was a boy..Right now I remember both of their laughs and that makes me smile. They enjoyed their times with my mom and dad, and vice versa. They seemed a great match for all the good times they shared. I remember all that very clearly, and it was all good..Jerry

“ I'm with you all even though you can't see me. I don't want to lose track of you "kids", so keep in touch with me and I'm inviting you to come to Artprize in September, which is a great event. More later. I need Sarah's address. I have Laura's. Everybody here sends their best and, I must admit, it does feel a little different and how one feels about Asheville. I will be at my childhood friend's funeral at the same time as yours. Wish you all the best and love you all, goodybe.

“ I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.
