“ *Omg I have had him on my mind. Is this the John Davin Jackson that I worked for at CCB & Tr. Leasing Durham, N. C. Unbelievable how life is. Yep that's his picture. I can still remember those years so well. There were 2 of us "secretaries" at the bank for him. I was 1 phone beep for me and Shelley was 2 phone beeps when he needed her. I remember that one day when he was out of town we disconnected the phone line beeper. It was so funny. Those years with him taught me so much. He was a very smart, respectful and kind man always with us and I really thought a lot of him. Life happens for all of us and the years go by. I wished I would have reached out to him earlier. So sad he's gone. I just celebrated my 50th wedding anniversary on August 17, 2018. I cannot imagine your loss. Beverly Beck, Durham, N. C. beverlybeck3@gmail.com*
