“*Jeanne, David and family, My heart hurts along with yours today for the loss of the force of nature that was John. I have known John since the 60's, he has been a lifelong friend and now a forever brother. He has left me over 100 songs and texts to enjoy. I have been with him in Ohio and NC, with memories enough to fill a book. Know that he loved both family and friends, that we loved him. Mike (Harve) and Karen Snyder. 937-215-2874*
