

Sgt. John Thomas Rikard

November 12, 1977 - December 9, 2015

Sgt. John Thomas Rikard, 38, of Clyde, died on Wednesday, December 9, 2015. A native of Black Mountain, John was born on November 12, 1977 to the late Robert Vann Rikard and Barbara Moring Rikard.

He attended Western Carolina University and graduated from Appalachian State University with a bachelor's degree in criminal justice and a master's degree in political science. In June of 2003 he began working with the Asheville Police Department.

John enjoyed working out, making jokes with his friends, fishing with his brother-in-law, watching sports and his beloved Georgia Bulldogs. He loved his bulldog Bristol and loathed but tolerated Nicole's dog Copper.

More than anything in the world, he loved his son, Tucker.

John is survived by his loving wife, Nicole (Gonnelli) Rikard; his beloved son, Tucker Thomas Rikard; his aunt, Pat Thomas and her husband, Billy of Nahunta, GA; his cousins, Jeff Thomas and his wife, Tammy, Cindy Sullivan of FL, Kristen Thomas and her husband JT with their boys, Garrett and Gannon,

Magan Thomas Barnhill and her husband George all of GA; his mother-in law, Barbara Treu Gonnelli of Boca Raton, FL; his father-in-law Paul Gonnelli III and Vivian of Frankfort, KY; his brother-in-law Billy Gonnelli and his wife Ashley of Palm Harbor, FL; his niece Harbor Rose Gonnelli; and his best friends: Bill McGee, Jakey Jacobson, and Josh Hill.

So many more extended friends and family including Katie and the Allison family; his work team that he supervised and watched over: Tyler Garrett, Lara Lemons Raymond, Heavan Dunne, Doug Williams, Robert Lanning, and Bobby Beard. And of course all of his Brothers and Sisters in Blue that he spent many hours, days, and time with working side by side.

A funeral service will be held at 10am on Friday December 18, 2015 at Biltmore Baptist Church with APD Chaplain Tim Brady officiating. The family will receive friends from 4pm to 7pm on Thursday December 17, 2015 at Morris Funeral Home, 304 Merrimon Ave.

I didn't know him or the family. I felt a need to watch the memorial video and it was a very emotional one. He was so full of life and you could tell he loved everyone he came into contact with. My deepest sympathy goes out to the family and hope you know Angels are among us and watch over us. God Bless.

“ I met John during my Freshman year at Western Carolina University during the summer semester of 1997. He lived two doors down the hall from me in the dorm. We immediately became friends, he had a great attitude and infectious smile. Many years passed by and I began working for Child Protective Services and John and I ran into each other because he was sent by APD to assist me on a case. I was so happy to see his face because I knew the type of person that John was and that he would protect all involved. John was an amazing person and he will be greatly missed! God bless your family!

“ John was a big teddy bear with a bigger heart. He was such a special man. Memories.....very funny texts to Aunt Jane not so very long ago....extra fun family time in Sebastian..his love of fishing and of the ocean....and our special surprise trip to NC for Sophia....John and Nicole were sure to have it filled with lots of planned outings and family fun time to boot, (catching fireflies was a bonus!!), John was the best chauffeur and tour guide ever! It was so humbling to see how much he loved his "new" family and how much he loved his time with Nicole and Tucker!

Our hearts feel so heavy for Nicole, Tucker and all that knew and loved John.

Thanks for those special memories.

Love and miss you John,

Aunt Jane and Uncle Allen

In high school John was a student that everyone loved. He was kind to all different types of kids, thoughtful, a good student, a great jock, a lot of fun. He had a serious side but didn't seem to take himself too seriously. My heart breaks to know how he hurt and how his family hurts. Sending love, prayers, and peace.

I worked with John while he was in college at App State. We would often hang out after work & talk about our dreams. I was always proud of him for achieving his goal to work for the APD. Over the years I reached out to him from time to time & it was like nothing had changed. I'm sorry we won't have another opportunity to chat again on this earth. You were a good man John & are missed by so many friends & family. Peace be with you.

“ I've been gone over 20 years now but of the few memories that connect me with Black Mountain the Rikard brothers are the ones which bring the most smiles to my face. Damn John I wish I had made it home to have one more great conversation with the two of you. You're smile and easy laugh always brought peace to those around you. Safe journeys to whatever heaven you call paradise. I hope to meet you there some day. The world will miss you. Thank you for your protection in the darkest of night. “ I will never forget when we first met John. Brint introduced him to us and from the start we liked him so much. we talked about family and how we all cared for each other. we hadn't talked recently. The last time we seen John we ran into him at the store he came up to Brint and I and hugged our neck. We told him how proud we were of him and we were so glad our son Brint had introduced us year's ago.His personality was so joyful you had to love him... He was a great man and Father. He will be missed by many. Our love and prayers go out to all his family and his family in Blue.. Especially Tucker who John loved so much... May GOD give you comfort and peace.

“ When I coached John, I considered him one of my favorite "sons." He was a leader and had the heart of a Warhorse. He won a state wrestling championship, and no one does that unless they have something special - beyond what anyone else has. I will always remember the conversations we had when I used to take him home after practice. He was the first player I knew who had pet goats:) John was an awesome leader for the football team as well as for the entire student body at Owen High. I wish I could understand all of this, and I will always respect him and love him.

“ *John was like a son to us. His delightful and helpful spirit was evident early on when he volunteered to help at our auctions at the young age of ten. All through his teen years and into college he worked hard and triumphed over many of life's challenges. He was a state wrestling champion, an all star football player, enthusiastic participant in other sports and extra curricular activities. One could always count on John to be on time, dressed and ready to play, no matter the event. John, we thank you for all the hard work and fun times we shared together. Heaven surely got an All Star Angel when this beautiful Soul arrived. He was so proud of his son and loved him very much. To his friends and family we send our love and condolences to each of you.*

“ It was my pleasure to serve as John’s choral music teacher in middle and high school at Owen. I could always rely on John’s full support in whatever the chorus was trying to do. He was always focused and attentive in class, as well as being pleasant to work with in our musical endeavors.

I send my condolences to his family at this sad time. John will live on in my memory as being a person of high integrity. It was a privilege to know him.
