“ *So sorry to hear of your loss. I haven't seen any of you in years, but think of you all often. I always enjoyed spending time with the family. May God comfort you all.*

“ *Jones was a colleague who was always a pleasure to be around. He was also very service-oriented during the time he was co-located with the Land-of-Sky Regional Council to do his flood plain management work in Western North Carolina. Though he worked for TVA from that office, he took part in office social functions and was very much appreciated by all staff. I also enjoyed hearing of his and Gaby's travels abroad. He was a fine Christian gentleman and will be missed.*
