“ Merry Christmas Frankie ...today has been hard to hold my hurt in and not let our children see me upset but i have to thank you so much for giving me the best christmas gift in the world watching our girls and Gabriel opening there gifts and seeing there faces made me the most happy mother in the world. I know you are not here with us in person i know you are still here in spirt . Oneday i know it will gett easier for me just right now and since you passed I miss you so much with each and everyday that goes by . I thank Flaco everyday for standing by my side and understanding everything i am going through . I Love You So Much Frankie and I wish all of you up there a Merry Christmas

Chastity Flores Ruiz - December 25, 2012 at 11:51 AM

“ It has been 8 months today since you went to your home in heaven. With every day that goes by I miss you more and more. I thought after 8 months it would get easier but for some reason it is getting harder. I don't like to leave the house because everyone I run into they ask how are you doing? I say I am doing as good as I can, some days are harder than others, if I knew how I felt about you I would have never left you. But like Flaco says I know you love him and he is the father of your children and he will always win. But I want you to know Flaco has stood beside me knowing I love him but nothing like the love we had. Flaco is a very good man he is so understanding, we have a whole wall that has all your pictures of you so the kids and I can always look at your smile. We love and we miss you so so much.....”

“ I have so many memories that it is hard to put them in a few words. My first husband and Frankie worked together. He and Chastity lived right down the road from us, and our girls grew up together. What I remember the most out of all the memories that I have is that Frankie had a true gift that not many people have. His smile and laughter was contagious and I cannot remember one time that I did not see him smiling. He loved and enjoyed life and everyone around him. I feel blessed to have known him and pray for peace and comfort for his family, and his girls. It has been so long now since I last saw them that I still picture them as little, but i know they are grown and in their laughter and their smiles, he shall live on.

“ I MET FRANK 6 YEARS AGO WHEN I MOVED TO CANTON. HE WAS A GREAT GUY WHO LOVED KIDS! I REMEBER HE WOULD STOP BY MY HOUSE WITH HIS GIRLS.LETTING THEM PLAY WITH MY GIRLS. HE WOULD ASK ME TO FIX HIM AND THE GIRLS SPAGHETTI. THAT AND STICKING HIS CUT OFF FINGER UP HIS NOSE LIKE THE WHOLE THING WAS UP THERE LOL. ITS FUNNY BUT THATS MY MEMORIES OF HIM. A VERY NICE GUY WHO WILL BE MISSED. MY HEART GOES OUT TO THE FAMILY. IM SO VERY SORRY FOR YOUR LOSE.
