“ *I have so many special happy memories of growing up and spending many summer vacations in Vernon with cousins. We were a pile of kids when together and I know our parents had their hands full. I will always remember Auntie Joye as the soft spoken Auntie with the beautiful smile and laugh. I am certain when we got out of hand that voice was able to give us what for. I think most times our Dad's took care of the discipline, while our Moms made sure we were all clothed and fed. My heart goes out to you Uncle Howard, Avie, Brian, Rick, David, Jeanette, and families. Sending virtual hugs to all.*

R.I.P. Auntie 💔

Love Bernice & Greg.

“ I have always been fascinated with our relationship. Her being adopted by my mother's brother and me being adopted by her biological mother made us legal cousins, but my feelings for Joyce have been as brother and sister. She was as wise as she was kind and never had anything but a smile for me. I will remember fondly our best of times vacationing at the cottage on Cape Cod and am forever grateful for her spending quality time with "our" mom towards the end of mom's life. I add my deepest sympathies to those of Joyce's many family and friends, She was truly loved.
