“ *Dear Alice and Sally,  
I was so saddened to receive the notice of Judy's death from Ellis. Please know I am thinking about you all so much. She was a wonderful friend during those high school days and I have fond memories of times spent with her and you at your house in Pittsburgh. We had such good times together. I also remember being together at a reunion - maybe our 25th. Am sending hugs to you both. Love, Nancy Bell Rockey*

“ *Jim, You are in our prayers. Bill and I have such fond memories of you and Judy from the banking days in Tampa. Judy was such an inspiration to everyone around her. She was full of energy and love. We loved the wonderful dinners in your home many years ago. I found the obit while picking up and dropping off boy scouts at Camp Daniel Boone (our youngest is 13--can you believe that) outside of Asheville. Love to you, her sisters and their families. Judy was a ray of sunshine to all of us.*

“ Your loss is our loss as well. Judy was a shining member of the Asheville Woman's Civic Club and served as our President. She had a warm and engaging smile and sunny disposition. I never knew until coming to this site that Judy and I shared the same birthday. My condolences to the family.

“ I was saddened to say the least of hearing of the news of Judy. She was my very first boss and a very special person who I've learned so much from in my career and even thru today. She was a burst of energy and greater than life personality that I will never forget! Judy was a one and only, class act like no other. I still remember her dynamic energy she brought to our team at work everyday. I am sorry for the loss, we have lost a GRAND SuperStar! and true "HERO" as she would say! Judy's A Team Forever!

“ Jim, I am so saddened. Please know that Judy is one of the Athenians who has left a very strong impression on my life. She welcomed me authentically, and I always felt like I was validated when we communicated. She is a special soul indeed. I am so sorry for your loss. - - Linda Devine

“ I'm so sorry for your loss, Jim. Judy was the best friend anyone could ever ask for and she shared her friendship with many of us here in Tampa. We all loved her, especially her Athena sisters. And, of course, our parties were never the same after "Judy, your server for the evening" left for Asheville! Love and Hugs, Judy Ryan

“ I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3,4 states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope. [jw.org](http://jw.org)
