“ *Dear Rick, Bob and Scott,*

Nancy and I are very sorry to hear about your Dad. He was a giant of a man and a father to all of us kids in the neighborhood. We are blessed to have been touched by him and your whole, wonderful, loving family.

We will be getting in contact with you directly.

“ Joe was an outstanding man and your family is in my prayers. May God give each of you comfort at this time. I worked with Joe at Chemtronics and had the opportunity to work as a Junior Achievement Advisor with him. He was always full of life and taught those young people in JA a lot about manufacturing. “ I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.
