To my dear friend Karl, and his family..

Your mom was always so nice and friendly toward me, even though I think I gave her a hard time when she was a substitute teacher for us back in High School! I was always made to feel welcome at the Heinrich house, and for a long time, it was my 2nd home.

I know I haven't been around in recent years, but you are always in my heart and on my mind. I want you to know that you can lean on me, if you need to. I will always be just a phone call away.

*Always,
Robyn*

“ To the family of Kathleen Heinrich, John and I want to send our deepest sympathy to all of you. Kathy was a good neighbor although we saw her rarely due to our differences in work schedules. We wish all of you peace in the days to come.
