“ *I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.*

“ When Dad went on his rides, he always had a copy of the ride and when my husband Chris & I would come up for the weekend, Dad would put in the CD and we loved it. Even when we would go out to dinner, he would take an exit and take us to a place of beauty. Like the river, not too far from their house. We enjoyed the CD's and drives and he will be missed everyday. We love you Dad, and we will make sure Mom is taking care of and never alone. See you later.
