“ Remembering Langdon from our " personnel " manager days working in manufacturing in the 70's. We also worked together in Boy Scout activity, and he was a tireless volunteer in so many capacities. He was a class guy who did a lot of positive things for others!

“ I am sorry to hear about the passing of Langdon. He hired me in 1972 to work at Avondale Mills, and we stayed there until the closing. He was a very nice person and pleasant to be around. I have not seen him since the plant closed, but I have pleasant memories of working with him. My sympathy to the family. Jan Justice

“ Langdon and I bonded through our devotion to the Boy Scouts. We would talk often at church. I'm glad I got to know him and Jean. I went to see him often at Givens and even took him to a movie theater to see "The Big Short" which he enjoyed because it was about his mortgage industry that he invested in. Many Blessings as you RIP.
