Dear Ed,

Our condolences on the passing of your wife, Mabel. Lola and I will remember you and the family in our thoughts and prayers. It is with fond memory that I recall your ministry at Eureka, SD. You were also influential in my going into the Christian ministry. One day in the Fall of the late 1940s you came out to our farm where we were in trashing season, you pulled me aside and asked me to consider the ministry. Praise God, I am glad you did! May our God undertake for you and family during this time in the loss of your loved one. The Lord bless you and keep you now and in all of your tomorrows.
