“ *The last fond memory I have of her was at my Grandmother's /her sister, Phyllis, home while staying the weekend she delighted in sharing stories of her & siblings youth & teenage years of adventure, mishaps & comical antics which I found very amusing, as well as enlightening to an aspect of her personality I never knew about in previous interactions. She had such an infectious, boisterous laugh that would light up a room & brighten a person's day. I got a kick out her of passion for country music & the personal lives/background stories of country music stars she enjoyed. I'll always remember with festive warmth the family Holiday gatherings on "the hill" she graciously hosted for years during my youth. My sincere sympathy to Sue/Carolyn?, Jackie, Mike, Scott, family & friends on the loss of a jolly soul of Aunt Mabel. My apologies for not being able to attend Aunt Mabel's service. best blessings, Penelope S. Todd*

“ I worked on the Parkway with Mabel. She was always a kind and caring person. She would always go out of her way to help everyone in any way possible. She was fun-loving and had a great laugh and smile. My thoughts and prayers are with her family.
