Jamie, I have always cherished your family's friendship. How I will miss Malcolm.

He was a wonderful communicator. I would call and he would talk for an hour and then say, "Do you want Carole to call you when she comes in " I would say No, you have already told me more then I need to know and he would laugh his hearty laugh.

Malcolm was a gentleman and touched so many peoples lives and we were better for knowing and loving him.

I will always be there for your Mom as she has for me as we are like sisters. She is blessed to have a strong son and daughter and family to depend on at this time. May God bless each and every one of you. Love, Jane Taylor
