“ *Marilyn was one of my favorite parents when I taught at St. Eugene School. She was not just a volunteer, she was a joyful, fun volunteer. She loved her family deeply but she had energy and enthusiasm to share with the rest of the world.*

A brief funny memory: I made a rude comment about a bad call at one of the kids' basketball games and the referee misidentified Marilyn as the culprit. He come over and gave her an evil look. She knew it was me, and teased me about getting her into trouble. We laughed at that more than once.

She nurtured her lovely family and gave the world good citizens...and she did it with a great smile and a sense of humor.

“ Our hearts go out to Trip and the Browne family at this time. Mrs. Browne was always friendly and gracious to me, as I frequently visited for decades. She was one of the all time great women's golfers at CCA, and a fine lady. She will be greatly missed by all.
