“ *So sorry to hear of Martha's passing. I have so many fond memories of Martha and her and John's friendship with my parents for so many years. They were instrumental in sponsoring my parents when they immigrated to the US from Holland. Through the years they always kept in touch and I especially remember Martha's kindness and caring when she called my Mom in her last few years of her life, always sending love and a kind word in her phone calls. My Mom loved hearing from her. May so many good memories of Martha's full and wonderful life hold comfort to John, Johnny and Aleta. Sending love and hugs to you all.*
