“ *A beautiful ray of sunshine, a heart full of love, and a gift of spirit that will never fade. These, and so many more, memories I have for this amazing woman. She loved her children and her family unconditionally each and every day.*

My time with her at Claxton was a gift both professionally and personally. No matter how long the time passed before seeing each other, Mary Jane brought a joyful sound to the occasion.

We will be praying for the family and friends today and in the days to come.

May God bless all of you and hold you close.

“ Mary Jane was a great friend to me when I first met her as I started a new teaching job at Claxton Elementary in 1989. Beyond the school environment, she provided nurturing care for my daughter Sami. Sam and Blair were the same age and great friends. I could always count on Mary Jane for a good laugh, an ear for listening, or help when needed.

Her smile and warmth will be missed. My thoughts are with her children. May their memories help them through this difficult time.

“ *I am good friends with Mary Jane's daughter-in-law, Kristi, and her son, Will. I got to know her when I was roommates with Kristi and Will. I loved when she would come to visit- from the first time I met her, she felt like family. I remember we spent Kristi's birthday one year in Asheville and stayed at Mary Jane's house. She planned a wonderful birthday celebration full of love and special treats (cake, fresh berries, champagne!). I am going to miss her so much. Sending love to the family.*

“ I am in a total state of shock seeing this.....I can't even describe the sadness in my heart. She was the nicest, kindest soul I have ever known. She was a wonderful friend, mother, daughter and sister. The way she took care of Alex was amazing. She was a very kind, loving soul. I am just at a loss for words. I know that all who knew her loved her.....She was a good mother to her children and a good sister to her siblings, and just a wonderful person all around. This is such a hard thing to believe. My love and prayers go out to the whole family. Much love and many prayers to all of you.

“ I met Mary Jane when I worked at Avery's Creek Elem. She was a dear friend who would take you under her wing and nurture you and exemplified what being a true friend really meant. She loved her children with intention of teaching them about love. Mary Jane was a favorite person to so many just by being herself. Her sense of humor and genuine empathy for others was incomparable. To know her was to love her and be loved. It was an honor to know her. I will forever treasure the memories I have of our friendship. Heaven is your new and forever home.
