“ *I will forever remember Mike. Mike was one of my best friends and always saw the best in others and always gave you a shoulder to lean on. Together over the past 6 years we created a everlasting friendship that I will never forget and I will always cherish his memory. I am heartbroken to say goodbye so early, I wished we could have spent even more time together and shared many more stories. Rest in peace big guy. I love you. - Alex*

“ *I remember meeting Michael in January of 2011. We both had transferred to UNC Asheville at the same time and had orientation together. From then on we grew a great friendship that included countless debates and conversations through our shared major in political science. Mike was a great person and I am lucky to have had the opportunity to call him my friend. The memories are countless but the impact Mike had on me will last forever. Rest In Peace Mike.
