“ *So sorry for your lost. I did not know him very long but loved and respected him in the time I did talk to him and enjoyed his wit and demeanor. Good man, good father, good veteran, and good grandfather and great grandfather. Was a true privilege to know him. God bless and hope to hear from family soon. Phil Flowers.*

“ *To The Fox Family,
I am so sorry for your loss. I knew Morris and your mother from St. Joseph's Hospital. I worked there from 1986-1999. I do not remember the year that I met your parents, but I thought a lot of them. Every day that they did their volunteer work, the three of us would always have a good chat. They would bring me orange marmalade each time that they would make a trip to Florida. Your mother was so beautiful. Those sparkling eyes. I remember one time I was very sick with bronchitis, and I was unable to reach my husband, so your parents drove me home. You'll never know how much that I appreciated that. I considered them my friends. I am sorry I did not realize that you had lost Ruth as well. May God be with your family and hold you in his love. Farewell my friend.

“ Please accept my deepest sympathy for the loss of your dear loved one. The Holy Bible promises that death will be no more and you will see your loved one again in Paradise found at Isaiah 25:8 and Luke 23:43.
