

Dr. Murray Greenspan

November 30, 1936 - August 7, 2014

Murray Greenspan passed away on August 7 at his home in Swannanoa. Murray was born 11/30/1936 in Brooklyn, New York to David and Martha Greenspan. He graduated from Queens College and in 1971 married the great love of his life, Carol. With their newly-combined family, Murray and Carol became back-to-the-landers in upstate New York. At age 41 Murray felt the call to become a chiropractor and the family moved to Marietta, Georgia. After graduating from Life Chiropractic College in 1981, Murray and family settled in Swannanoa, NC and opened Greenspan Chiropractic in Black Mountain. He continued to practice until his death.

Murray was a true Renaissance man of many passions, including wood turning, travelling, cycling, and hiking. He and Carol were active members of Jubilee! and volunteered for many non-profits in the community. He was also member of two men's groups which brought him great joy. Murray's love of life and exuberance made him the pivotal member of his family and his community. Murray's infectious laugh and giant, gentle hands will be sorely missed by his family, friends and patients.

Murray was preceded in death by his parents, his sister Lee Cohen and his first wife Leah Grandis Coffey. He is survived by his wife of 43 years, Carol Hoefener Greenspan, his brother Ralph Greenspan (Marilyn) of New York, his sisters Fran Corrado and Fay Walker (Cliff) of Florida; his children Michelle Greenspan (Karen Lockee) of Salem, SC, Kevin Greenspan (Lisa) of Black Mountain, NC, Steve Greenspan of Swannanoa, NC, Phyllis Hinson of

“ *Murray and I were classmates. Murray helped build(With his bare hands) the local health food coop in Marietta Ga. Me and Victor Guerra, Ted Anderson, Chip Onthank ,Alan Leibowitz, Victoria Moore, Stuart Kaplan, Murrays wife Carol and so many other students from (Life Chiropractic College) used to have amazing vegetarian pot luck dinners at Murrays house. We were all like one big family. Murray was about 15 years older than we were, but Murray was as smart as a whip. I visited him at his office in Black Mountain back in 1982, it was a beautiful office. Im sure Murray had a great life out in the mountains of NC because Ghee was smooth as butter. I hope Murray and Alan Leibowitz are hanging out together in heaven. Alan Loved Murray. When Alan was hanging out at Murrays house you could feel it was family. I used to go to study groups at Murrays house with Alan, and Chip.God Bless my old friend & Classmate Murray- Ghee.*

“ Carol and Family, I will always remember when you and Murray came to my office. I could feel your love and caring for each other. Your and Murray's happiness of life was exuberant and all who came in contact with you could feel your love for each other. Murray said to me once, why would you want to have a bad day. He brightened everyone's day with his professional skill, a smile, or a kind word. The world was better because of Murray. Bob Dickey

“ Dear Carol, Michelle, Kevin and David,

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.

“ Carol and family, I was so saddened to hear of Murray's sudden death. Though I hadn't see him for awhile, I still picture nights dancing at McDibb's some of my favorite memories. Murray was a larger than life presence here and he left a lasting mark on so many of us. My heart and thoughts are with you.

“ Murray's good humor, warm heart and caring concern were just part of the magic that he brought to our men's group discussions. His clear-eyed wisdom gained from a full life well lived made us all grateful for his presence and participation. He was a part of us that we will deeply miss. John Sterling

“ Murray saved my life by taking me seriously when I told him something was wrong with my right arm and other doctors could find nothing wrong. Murray worked with me for awhile, then referred me to a neurologist, who later diagnosed myasthenia gravis. I loved him....and Carol.....and David so very much through my association with them at Carver Optional School. Please accept my condolences, family.....Murray will be greatly missed.

“ For all of us in Murray's OLLI men's group, this is an unfathomable loss. To us, Murray represented the apotheosis of strength and vitality. He was both artist and outdoorsman. He had the soul of a poet, the mind of a scholar, and the heart of a warrior. His love of life, of his friends, and of his family were his hallmark and his legacy.

Our group and our lives are forever diminished.

Our sincere condolences to a wonderful man that has a beautiful spirit. Anytime we crossed paths he was always had a tender heart and a huge smile that would last for hours Matter of fact, at the Ingles maybe a month ago.. His sons, Kevin and David are amazing due in part to their father. All three of them have helped me to a healthier life. Shocked about his passing. ..To live in hearts we leave behind is not to die. I am so sad that this vibrant, caring soul is no longer among us. When Murray opened his office in the early 80's I went to him with neck pain that had gone on for months. One visit and no more pain. My sympathy to his family and friends, such a loss.
