Nathan you were a great guy. YOU will be missed by all of us at Speedway. I remember us talking after you were hurt a few months back. I had to laugh because I heard the same thing from you and your Dad. You said he was hard to live with but you loved him so much , and right before you said that he said almost the same exact thing. The love between you two was so strong. Fly high my dear friend and be happy in the arms of our Father till we meet again. Prayers for all the family!

“ It is never easy to bury a child, even when they live to be in their thirties. His mother Debbie is a beautiful lady with a heart of gold. I know her heart is broken. She loved Nathan so much. May God grant comfort and peace to the family.

Debbie, Doug and the rest of Nathan's family, I know this is the worst tragedy a family could go through. I remember Nathan when he was a little blonde head boy. My heart is broken for you all. My love and prayers during this difficult time. Rest in peace sweet Nathan.
