“ *Having lived next to your family for several years, I have many fond memories of Norman and Fern. They were always so friendly and upbeat. May they rest in peace, and take solace in the fact that they are once again re-united.*

“ I am so sorry for your loss. Norman and Fern were such special people. I haven't seen most of your family in 20-years or so, but I have such wonderful memories spending time in their home with all of you as I was growing up. I can't think of anything but joyous, wonderful times. They were both truly amazing and such good people. They always made me feel loved and welcome at times I needed it the most.

With Deepest Sympathy,
